

Careers in Art & Design

Graphic Designer

A graphic designer is responsible for creating design solutions that have a high visual impact. The role involves listening to clients and understanding their needs before making design decisions.

Fine artists

Fine artists create original works of art using a variety of methods such as painting, drawing, sculpture, etching, printmaking or media like computer graphics.

Craft Artists

Craft artists must be knowledgeable about materials, trained to use them effectively, and able to create works which appeal to others.

Illustrator

Illustrators combine art, design and creative skills to develop ideas and produce original visual images for a wide range of products.

Cartoonist

Cartoonist is the process of drawing still cartoons, which are usually meant to be humorous.

Tattoo Artist

Tattoo artists are professionals who design and apply tattoos to all areas of customers' bodies with specialized needles.

Sculpture Artists

Sculpture artists typically are self-employed, working in their own studios and selling their art to collectors and galleries.

Art Director

An art director is someone who is responsible for the visual style and images in magazines, newspapers, product packaging, and movie and television productions.

SURVEY OF DESIGNER SALARIES

A Graphic Designer earns an average salary of 3320.42 EURO year. People in this job generally don't have more than 10 years' experience. Pay for this job rises steadily for more experienced workers, but goes down noticeably for the few employees with more than 20 years' experience.

SURVEY OF ARTIST SALARIES

Salary survey make us want to jump up and down. And maybe let out a few screams of joy. Then break out of work early for an impromptu happy hour with our favorite designers. After some economically rough years, the sun is finally shining bright on designers. The national average salary for designers rose a full 8%—from 3320.42 EURO!
