Carnal Obsession Kia Carrington-Russell,2025-12-29 A one night stand A mafia obsession A roommate she can't escape Romi When my friends force me to advertise for a new roommate the last person I expect to turn up is the stranger I had a one night stand with He says he's a doctor but I suspect that's a total lie I can't stand his arrogance or the fact that he's always there sticking his nose in my business But I can't seem to keep my hands off him Even when every part of me screams that the man is dangerous Dante When I get the chance to become second in command of the Italian Mafia I take it because I want to undermine my brother I want to destroy everything he's built That's why when I see his fiancée's friend advertising for a roommate I decide to move in with her I intend to use her to burrow deeper into my brother's life and under his skin The good news She hates me The bad news It makes me want her And I always get what I want This is a brand new stand alone dark romance based in the same world as *Insidious Obsession* **Their Son** Eduardo Zamacois,1919 **Lucifer's War** Linda Rios Brook,2012-10-02 Something Has Gone Terribly Wrong in Our World Two thousand years after the cross evil continues to brutalize and pillage in every nation and no one appears able to do very much about it Why has the church made so little progress While Satan lost his authority to rule on the earth he did not lose his power Failure to recognize this crucial difference has caused us to miss the point as to what the war over the planet is about and therefore what we must do to win it Lucifer's War offers a detailed historical examination of Satan the demon gods who are aligned with him and their ancient struggle with God over humanity While the church is the only agency on earth authorized by Jesus to deal with evil at its root cause believers must acknowledge what has not worked and pursue a different strategy that will This book will change the way you pray equip you to understand the times we are living in and prepare you for what may happen next and what you can do about it *Absolute Threat: Dark Mafia Romance* Daisy Fox,2025-12-25 OKSANA I knew uncovering the Vargin secrets would be dangerous but I never imagined the depth of Konstantin's depravity When he pinned me to the floor with cold steel against my throat I expected an ending not a beginning Now trapped in his gilded cage I am at the mercy of a man who sees my life as a debt to be collected and my body as his ultimate collateral Konstantin's possessive hunger threatens to consume my sanity yet I cannot escape the terrifying pull of our connection The moment I met his slate gray gaze I was lost His touch brands me stripping away my autonomy until I can think of nothing but the heat of his skin and the weight of his command I know he is a predator a monster who rules his empire with blood and iron yet I find a dark twisted safety in his absolute control Every time he looks at me with those beautiful cruel eyes I am powerless to resist the ruin he promises This obsession will be my downfall KONSTANTIN The moment I laid eyes on her I knew Oksana would be my undoing I went to that safehouse to silence a witness to end a life with the same cold indifference I have practiced for years But the fire in her eyes and her refusal to break under my blade triggered a predatory fixation I couldn't ignore I should have pulled the trigger and walked away but instead I chose to possess her Now she is mine heart body and soul but this obsession is a poison that

consumes us both I will strip her of her secrets and her pride until she belongs to no one else molding her to fit the space I've carved out in my dark world I'll burn this city to the ground to keep her in my grasp for I will destroy anyone who dares to take what belongs to me Even if it means drowning us both in the aftermath This is the second book in The Vargin Enclosure Reading order Collateral Debt The Gilded Noose Sovereign Ruin This is the second book in The Debt Principle Series Reading order Absolute Chaos Absolute Threat Absolute Ruin

Beauty Will Save the World Brian Zahnd, 2012-01-03 In today's world we have technology convenience security and a measure of prosperity but where is the beauty For thousands of years artists sages philosophers and theologians have connected the beautiful and the sacred and identified art with our longing for God Now we live in a day when convenience and practicality have largely displaced beauty as a value The church is no exception Even salvation is commonly viewed in a scientific and mechanistic manner and presented as a plan system or formula In *Beauty Will Save the World* Brian Zahnd presents the argument that this loss of beauty as a principal value has been disastrous for Western culture and especially for the church The full message of the beauty of the gospel has been replaced by our desires to satisfy our material needs to empirically prove our faith and to establish political power in our world the exact same things that Christ was tempted with and rejected in the wilderness Zahnd shows that by following the teachings of the Beatitudes the church can become a viable alternative to current day political commercial and religious power and can actually achieve what these powers promise to provide but fail to deliver Using stories from the lives of St Francis of Assisi and from his own life he teaches us to stay on the journey to discover the kingdom of God in a fuller richer more beautiful way

Giovanni Pascoli, Gabriele D'Annunzio, and the Ethics of Desire Elena Borelli, 2017-03-30 This book focuses on the notion of desire in late nineteenth century Italy and how this notion shapes the life and works of two of Italy's most prominent authors at that time Giovanni Pascoli and Gabriele D'Annunzio In the fin de siècle the philosophical speculation on desire inspired by Arthur Schopenhauer and Friedrich Nietzsche intersected the popularization of Charles Darwin's theory of evolution Within this context desire is conceptualized as an obscure force and remnant of mankind's animalistic origins Both Pascoli and D'Annunzio put into play the drama of desire as a force splitting the unity of the characters in their works and variously attempt to provide solutions to this haunting force within the human self
