figures in young children's lives is their parents. 1 Child learn and depend on their parents as well as other caregivers who take on the role of a parent from birth. They look to these adults to provide for their needs, set them up for success and protect them from harm. While most parents look forward to seeing their children's personalities develop, many also don't know how to best care for them. Although being a parent is often a joyous experience, there are times when parents face difficulties and uncertainty over their abilities to secure the physical, emotional, or financial well-being of their children.

Easy Parenting for All Ages Jacqueline Koay, 2016-05. EASY PARENTING FOR ALL AGES: A GUIDE FOR RAISING HAPPY STRONG KIDS is a book about bringing children up with love, gentleness, light, and joy in a fast-paced, rapidly changing and often unkind world. It is the consolidation of my thirty-year parenting experience as my youngest child, Georgina, turns sixteen. Georgina and her father contribute their insights and strategies to this book. Included with this book is BAREFOOT IN THE CITY: RAISING SUCCESSFUL FREE RANGE ORGANIC KIDS, that chronicles the everyday lives of the Perry children living a sweet existence in the middle of a bustling city. There are roadmaps at the end of each main section of the book to help you implement some of our more successful strategies, as well as little exercises in introspection to assist you in formulating your own best practices. This book is made richer by the contributions of parents, teachers, and young adults who wrote so eloquently about their lives. EASY PARENTING FOR ALL AGES and BAREFOOT IN THE CITY contain my parenting philosophy developed jointly with the father of my children and our heart-led way of life. Parenting is the most important thing I have ever done, and within the pages of these two deeply personal books, my mistakes and triumphs are laid bare, as are the lessons learned. My children are: Nicolas is an investment banker, Kit is a Lieutenant in the Royal Navy, Katerina is an interior designer, Jack is a property developer, and Georgina is still at school. She plays football for BISP Cruzeiro and hopes to study Medicine at University.

For moms in recovery, Barbara says, "Other than your recovery, I believe that parenting is the most important job you'll ever do. It may also very well be the hardest job you'll ever do. And for sure, the most rewarding." So moms, read Barbara Joy's words of wisdom and raise children who will make a difference and until she writes *Easy Does It, Dad*, I recommend that fathers read it, too.
