

A hand holding a vintage microphone against a dark background with red lighting. The microphone is the central focus, with its silver grille and black body clearly visible. The hand is positioned at the bottom right, gripping the handle. The overall scene is dimly lit, with a strong red glow that creates a dramatic and somewhat mysterious atmosphere.

Echos Voice:

Echo's Voice Sarah Mankowski, 2004 In a world where news and entertainment are controlled by a single corporation communication becomes a dangerous adventure Truly Stimulating Space Coast Press *Echo's Voice* has a fascinating premise for a science fiction novel and features some complex and intriguing world building The plot is also well set up with a hook that draws you into the complexities of the story and creates instant sympathy for its trapped heroine Scribes World Reviews The story will hook you completely you will be fully involved in Rick and *Echo's* adventure The Bookdragon Reviews *Echo's Voice* is a tale of courage and dedication of a young woman whose spirit refuses to succumb to the temptations of both the serpent and paradise who accepts hardship with the same dauntless enthusiasm as she does pleasure It is a warning to all of us not to allow ourselves to be lulled by the sweet voice of those who think they know best about what we should know and believe Inscriptions
