

Care Work

Robert R. Redfield

Care Work:

Care Work Janet Boddy, Claire Cameron, Peter Moss, 2006 Care work and care workers past present and future are examined in this edited collection which guides readers through an introduction to care work towards a critical understanding of potential futures for the field *Care Work in Europe* Claire Cameron, Peter Moss, 2007-09-06 This groundbreaking comparative study provides a cross national and cross sectoral study of care work in Europe today covering policy provision and practice It provokes much needed new thinking about the current situation and future direction of care work

Essentiality of Work Markus Helfen, Rick Delbridge, Andreas Pekarek, Gretchen Purser, 2024-10-03 Raising pressing questions about the essence of work and its place in contemporary society this volume inspires new debates about the centrality of the work experience in modern life for those working as well as those who benefit from that work [Circles of Care](#) Professor of Health Services and Women's Studies Emily K Abel, Emily K. Abel, Margaret K. Nelson, Professor Margaret K Nelson, 1990-01-01 This work examines the experience of women providing care to children disabled persons the chronically ill and the frail elderly It differs from most writing about caregiving because it focuses on the providers rather than the care recipients It looks at the experience of women caregivers in specific settings exploring what caregiving actually entails and what it means in their lives

Dimensions of Resilience in Developing Countries Jacques Charmes, 2019-02-11 This book provides the latest empirical data on the three forms of resilience informality solidarities and unpaid care work It uncovers and quantifies these three forms of resilience that are generally invisible or ill recognised whereas these play a major role in the livelihoods of poor and vulnerable populations The book shows how the slow but constant unveiling of these forms over the past four decades has gradually changed our vision of progress and development and is impacting the norms and concepts that shape our vision of the economy and society The book also emphasizes the role of informal economy through explaining the origins of the concept its definitions and the methods of data collection and measurement As such the book will be of interest to students researchers and policy makers in population studies economics and international development

The Future of Work, Employment and Social Protection Peter Auer, Bernard Gazier, 2002 This volume comprises the papers and debates of the second France ILO Symposium on the future of work employment and social protection Reflecting the aim of the Symposium itself the book provides in depth reflections on work employment and social protection Designed to be more than an account of the discussions this book is a useful tool for all those interested in labour market transition and the increasing importance of female labour for the future of the labour markets particularly in the developed world The book discusses the need for more family friendly policies and a more radical policy of equality between the sexes The legal dimensions of labour market change are also debated and the book explores the positive and negative sides of globalization and its links with technological change
