Hard to Believe John F. MacArthur,2006-01-08 Jesus Christ did not die on the cross so you and I could have a nice day Ministers and teachers who water down the gospel of Christ in order to make it more popular and appealing may be leading their fun loving audiences down the road to eternal punishment This book is John MacArthur s unflinching unapologetic treatise on the modern tendency to alter the true message of Christianity in order to meet the whims and desires of a culture hoping for nonconfrontational messages easy answers and superficial commitments Too many people just want a Madison Avenue Jesus to make them well make them happy and make them prosperous But Jesus Christ isn t a personal genie He is the Savior He died in agony to satisfy the wrath of a holy God and to forgive the sins of humankind Faith in Him demands a willingness to make any sacrifice He asks The hard truth about Christianity is that the cost is high but the rewards are priceless abundant and eternal life that comes only from faithfully following Christ Kentucky Brides Lauralee Bliss,Irene B.
