Eclipse Of Evil:

Eclipse of Evil A.B.N. Dawn, 2005-12-01 Why is backward Millstone village squeezed in a valley of New Mexico's Sacramento Mountains ostracized from neighbor towns Why do villagers stare like mummies doomed to mindless terror Why do they shun stunning Silver Lake gorged with trout Are ghastly rumors products of superstition and ignorance or is a diabolical recluse linked to sinister crimes Such questions haunt three vacationing college freshmen and test their integrity Events emotionally mystically and dangerously bind them to a mysterious loner whom they gallantly perhaps foolishly strive to vindicate In their struggle they uncover the truth hidden behind a fog of mystical power and hatred and become entangled in a snare of sinister events and confusing leads They must consider the emotional instability and supernatural powers of the old recluse They must consider the motives of a beautiful Apache woman who seems to match the paranormal abilities and apparent generous nature of the loner They cannot ignore a shifty sheriff who bends the law and covers evil deeds They cannot overlook the remnants of a dissolved cult in the old fishing lodge where they are staying nor can they disregard old Stella who uses her status and magicians tricks to wield power over Millstone folk In their struggle to redeem good the three friends honor faith and courage are severely tried by subversive evil The dichotomous clash escalates from sorrow to betrayal to tragedy to ultimate triumph

The Eclipse of Evil Todd Baker, 2007-08 Suffering and pain affect every human being They are the results of evil in our world The problem of evil is something both Christian and non-Christian must face and answer How do we deal with such unpleasant realities If there is an all powerful all loving perfectly good God why is there so much evil This book honestly grapples with these and other fundamental questions that are related to the problem of evil and the existence of God The existence of evil is the chief argument traditionally used against the God of the Bible The author argues the opposite that the existence of evil actually justifies the argument for the existence of the God of Christianity The answer proposed in this book is not one of theory and hypothesis alone but comes from the historical life death and resurrection of Jesus Christ Through a combined theodicy defending the justice of God for allowing evil of the cross and resurrection the case for the Christian faith is reasonably presented and defended
