Guidance from the Holy Qur'an Sayyid Abul Hasan 'Ali Nadwi,2014-04-13 This book is a collection of Sayyid Nadwi s writings and lectures which brings into sharper relief the eternal divine guidance for man embodied in the Qur an The volume instructs readers in articles of faith devotional worship social relations morals and manners religious commands and obligations divine laws and Qur anic stories It thus succeeds remarkably in projecting the Qur anic worldview *Aquinas on Faith, Reason, and Charity* Roberto Di Ceglie,2022-03-27 This book offers a new reading of Aquinas s views on faith The author argues that the theological nature of faith is crucial to Aquinas s thought and that it gives rise to a particular and otherwise incomprehensible relationship with reason The first part of the book examines various modern and contemporary accounts of the relationship between faith and reason in Aquinas s thought The author shows that these accounts are unconvincing because they exhibit what he calls a Lockean view of faith and reason which maintains that the relationship between faith and reason should be treated only by way of evidence In other words the Lockean view ignores the specific nature of the Christian faith and the equally specific way it needs to relate to reason The second part offers a comprehensive account of Aquinas s view of faith It focuses on the way the divine grace and charity shape the relationship between evidence and human will The final part of the book ties these ideas together to show how Christian faith with its specifically theological nature is perfectly compatible with rational debate It also argues that employing the specificity of faith may constitute the best way to promote autonomous and successful rational investigations *Aquinas on Faith Reason and Charity* will be of interest to scholars and advanced students working on Aquinas philosophy of religion Christian theology and medieval philosophy

Stedman,2011-07-01 Ray Stedman uses Scripture to unmask Satan and reveal his battle plans for defeating Christians He shows clearly how Satan attacks us and how utterly defenseless we are against him in our own strength But Stedman assures us in the strong arms and mighty armor of Christ we can become more than conquerors He shows how the New Testament lays open God s battle plan for victory in life s spiritual combat To win the battle we must appropriate the complete protection of Christ Pray Stand firm in the Christian faith with the certain knowledge that the battle is the Lord s

Stedman's insights will help you to firm your own resolve and prepare you to exchange the defeat and discouragement of carnal illusions for the reality of spiritual triumph. Spiritual Warfare emboldens Christians to take their places in history's most amazing war story: the daily triumph of ordinary Christians over the relentless onslaught from the forces of evil.
