The Holocaust Paul R. Bartrop,Michael Dickerman,2017-09-15 This four volume set provides reference entries primary documents and personal accounts from individuals who lived through the Holocaust that allow readers to better understand the cultural political and economic motivations that spurred the Final Solution The Holocaust that occurred during World War II remains one of the deadliest genocides in human history with an estimated two thirds of the 9 million Jews in Europe at the time being killed as a result of the policies of Adolf Hitler and Nazi Germany The Holocaust An Encyclopedia and Document Collection provides students with an all encompassing resource for learning about this tragic event a four book collection that provides detailed information as well as multidisciplinary perspectives that will serve as a gateway to meaningful discussion and further research The first two volumes present reference entries on significant individuals of the Holocaust both victims and perpetrators anti Semitic ideology and annihilationist policies advocated by the Nazi regime giving readers insight into the social political cultural military and economic aspects of the Holocaust while enabling them to better understand the Final Solution in Europe during World War II and its lasting legacy The third volume of the set presents memoirs and personal narratives that describe in their own words the experiences of survivors and resisters who lived through the chaos and horror of the Final Solution The last volume consists of primary

documents including government decrees and military orders propaganda in the form of newspapers and pamphlets war crime trial transcripts and other items that provide a direct look at the causes and consequences of the Holocaust under the Nazi regime By examining these primary sources users can have a deeper understanding of the ideas and policies used by perpetrators to justify their actions in the annihilation of the Jews of Europe The set not only provides an invaluable and comprehensive research tool on the Holocaust but also offers historical perspective and examination of the origins of the discontent and cultural resentment that resulted in the Holocaust subject matter that remains highly relevant to key problems facing human society in the 21st century and beyond The Book Tree Elizabeth McCallum, Jane Scott, 2008

Literary habits naturally give way to literary affections Once upon a time a carpenter entered a forest and happened upon a wolf wearing a feathered cap Quick whose side are you on If you don't know we suggest reading a hearty round of fairytales Stories provide a roadmap for life This is because stories are life But oftentimes it's easiest to understand where we are when we can look through other eyes from the perspective of someone else living somewhere else somewhen else For those beginning to read for the first time or those beginning to read again The Book Tree will drop golden apples in your lap until you can climb high enough to pick for yourself **Life Lessons from the Hiding Place** Pamela Rosewell Moore, 2004 A
