Frozen in Cherry Hills Book 10 First days can be killer Kat Harper s first day at her new job doesn t go as planned when a runaway cat leads her to a dead body outside of her office building Things only get worse when Sadie Cramer s death is deemed a homicide and Kat has to wonder what she s gotten herself into by accepting this position Much to Kat s and her police detective boyfriend s dismay she soon encounters plenty of people with motive for murder From an employee fired right before the Thanksgiving holiday to a grown son ruthlessly cut out of an inheritance it seems the late career counselor angered several people shortly before her passing And now it s up to the office building s newly hired amateur sleuth to figure out exactly who is guilty preferably without turning into a victim herself

Hit Run in Cherry Hills Book 11 When death imitates art Cherry Hills resident Kat Harper finds herself embroiled in another murder investigation when a local artist is run down in the street There s no question this was a deliberate act but who was behind the wheel Between a money hungry gallery owner a brooding rival painter and the victim s jealous sister Kat s not sure who had more motive And unfortunately nobody appears to have gotten a good look at the driver except perhaps for an extremely territorial white cat named Clover But Clover is too busy guarding his favorite chair to reveal whodunit That means it s up to Kat and Kat alone to track down this latest killer Will the amateur detective succeed or will this be the case that finally stumps her

Christmas in Cherry Hills Book 12 Santa isn t the only one making deliveries this Christmas Kat Harper s holiday visit with her long lost mother turns out to be nothing like the happy family reunion she envisioned Maybelle Harper has no qualms about flirting with Kat s police detective boyfriend and she seems more interested in seeing old friends than her daughter Worse yet she hates cats But Kat might have to put her disappointment aside when bigger problems arise unwelcome gifts have been showing up on her doorstep and she has no idea who her secret admirer is or why she s been added to his Christmas list All of the Cozy Cat Caper Mystery books can be enjoyed as standalones but will be better appreciated as part of the series The books are light fun cozy mysteries featuring an animal loving female amateur sleuth lovable and not so lovable quirky characters and a page turning mystery that needs solving None of the books include cliffhangers bad language or graphic scenes
