Counselling Skills For Social Work:

Counselling Skills for Social Workers Hilda Loughran, 2018-11-20 Counselling skills are very powerful Really listening and providing compassionate empathy without judging is a core part of social work practice with service users This book provides a theoretically informed understanding of the core skills required to provide counselling interventions that work It provides detailed discussion of three core skills which are identified as talking and responding listening and observing and thinking Over 11 chapters these core skills are described in terms of what they mean how they can be learned and developed how they can be used and misused and most importantly how specific skills can be employed in a coherent and evidence informed counselling approach Loughran also looks in detail at the skills required to deliver interventions consistent with three approaches Motivational Interviewing Solution Focused Work and Group work Illustrative case examples and exercises offer further opportunities for reflection and exploration of self awareness as well as for practising and enhancing skills development thus making the book required reading for all social work students professionals looking to develop their counselling skills and those working in the helping professions more generally Terms such as social worker therapist and counsellor will be included as they inform counselling skills in social work

Using Counselling Skills in Social Work Sally Riggall, 2012-05-18 This practical book enables students to develop key counselling skills that can help to enhance their practice and help to place the service user at the centre of the decision making process Relationship building will be a key area of the text and relevant counselling skills for achieving this in social work settings such as empathic responding will be illustrated in detail together with examples of dialogue and analysis of interventions The role and importance of self awareness will be discussed together with various exercises to develop the readers own knowledge of themselves

Counselling Skills for Social Work Lisa Miller, 2020 **Counselling Skills in Social Work Practice** Janet Seden, 2005-02-16 In what ways is counselling relevant to contemporary social work How do counselling skills integrate with social work roles and responsibilities This book examines these skills and their applicability drawing from social work and counselling theories and methods using clear practical examples Skills are discussed with reference to social work knowledge and values illustrating how when used competently contextually and sensitively they can appropriately underpin good social work practice Questions and activities for self development are linked to the practices discussed This new edition of Counselling Skills in Social Work Practice has been thoroughly revised to reflect the National Occupational Standards for social work which identify the importance of communication skills and a developmental understanding of people in their social contexts The chapters are linked to the six key roles for social work practice This book builds on the strengths of the first edition as well as addressing the challenges of practice in relevant legislative and policy contexts The book includes Evidence of how the competencies which underpin counselling practice are directly transferable to effective social work practice Practical advice on communication skills Examples of how to build effective working relationships a whole chapter is

now devoted to the specific skills required for working within inter agency and multi disciplinary teams This book is key reading on the subject of ethical and effective social work for those teaching studying or practising in the field **Choices** Bob Shebib,2003 This reader friendly practice text emphasizes intelligent decision making in the use of interviewing and counseling skills and provides strategies for professionals in social work and counseling Based on a four phase model of counseling each chapter in Choices explores key concepts with theory case studies annotated practice examples conversations and responses to frequently asked questions The text lends students and professionals the ability to use or forego particular skills based on the unique needs of individuals and situations Choices promotes a strengths approach to clients by stressing the importance of counselor self awareness and cultural competence **Counselling Skills for Social Work** Lisa Miller,2011-11-14 Praise for the first edition The content of the book is excellent The strength lies in its detailed application of ideas to practice The use of the case material to illustrate application is excellent and works well Helen Cosis Brown University of Middlesex This new edition of Counselling Skills for Social Work argues that good counselling skills are at the heart of effective social work practice Building on the success of the first edition this core textbook brings a range of therapeutic models with their theoretical underpinnings and skills directly into a social work context By looking at how the underlying theory can be applied to professional practice chapters identify the key skills which can be employed for the most effective social work intervention Key features of the book include a practical skills based approach a focus on service user experiences and a range of case studies drawn from a variety of real life settings a new chapter dedicated to counselling young people chapter content is linked to the most recent NOS and GSCC guidelines structuring training and practice end of chapter Reflective Questions and Tips for Practice summarising the key theoretical concepts and their applications Written in a lively and engaging style this updated new edition will be an invaluable text for undergraduate students in social work It will also be useful for qualified practitioners to enhance understanding of communication and the process of change through the medium of counselling skills Handbook of Counselling Stephen Palmer,Gladeana McMahon,1997 A comprehensive and up to the minute guide for counsellors and those using counselling skills published in association with the British Association for Counselling A new revised edition reflects recent growth and changes in the field *Counselling and Social Work* Judith Brearley,1995 Social work is perennially in the public eye and interest in counselling has never been greater But these activities are changing rapidly in response to new needs and resource limitations and their complexity is not easy to grasp even by those involved This book looks at how the specific context of social work shapes the nature of counselling in terms of both opportunities and constraints How can social workers integrate the counselling dimension of the job with other roles expected of them What training supervision and support do they need How do they collaborate with other professions Above all how do they effectively deal with people s private troubles subjective feelings and disrupted relationships the traditional concern of counselling whilst simultaneously fulfilling statutory requirements and involving themselves in the

contentious politics of social provision A disturbing situation is revealed in which such role conflicts coupled with media pressure and policy changes are undermining the professional competence and confidence of social workers thus depriving the most needy people of help A fresh understanding of insights from counselling is seen as providing a partial answer to this serious state of affairs Counselling Skills for Social Service Workers Bob Shebib, Centre for Curriculum and Professional Development, British Columbia. Ministry of Advanced Education, Training, and Technology, 1991 *Introductory Counselling Skills for Social Service Workers* Penny Parry, Open Learning Agency (B.C.), 1991 **Counselling Skills for Social Service Workers** Shebib, Bob, British Columbia. Ministry of Advanced Education and Job Training, Colombie-Britannique. Ministry of Advanced Education and Job Training, 1987 *Social Work in Schools* Linda Openshaw, 2008-01-01 This accessible and authoritative text gives social workers the tools they need for effective and ethical practice in school settings Readers learn practical skills for observation assessment intervention and research that will enable them to respond to the needs of diverse students from preschool through the secondary grades The book presents strategies for dealing with particular problems such as violence trauma parental absence substance abuse bereavement and mental health concerns Also reviewed are developmental issues that can interfere with school success Specific guidelines for implementing interventions including group work are provided Student friendly features include many concrete examples study and discussion questions and reproducible letters forms and checklists **EBOOK: Counselling Skills: A Practical Guide for Counsellors and Helping Professionals** John McLeod, Julia McLeod, 2011-04-04 For anyone in a caring facilitative or managing role Counselling Skills provides a uniquely comprehensive accessible and practical guide to interpersonal helping It introduces a way of working that is both focused and personalised tailored to an individual client's specific goals and preferences The book will be invaluable to anyone who wants to help others deal with their problems Mick Cooper University of Strathclyde UK Not everyone possesses the skills required to ensure that professional communication is compassionate and supportive but the skills can be learned and this book on Counselling Skills provides just the resource needed Its authors have the experience as practitioners and teachers to imbue the text with wisdom derived from life academia and counselling The book is carefully crafted and beautifully written it includes exercises and examples that enhance learning it is comprehensive and completely relevant for anyone who seeks to use counselling skills competently in their work Professor Sue Wheeler University of Leicester UK The book offers a sound and accessible introduction for anyone considering formal counselling skills training As a bereavement counsellor I will gladly keep a place for this book on my bookshelf as it offers a useful refresher in basic skills I would certainly recommend it to colleagues within pastoral caring roles and other caring professions Sally Smith Counselling Psychology student at The University of Wolverhampton UK This bestselling book is designed to help counselling trainees acquire and develop the skills and techniques needed to have therapeutic impact with their clients It also provides those in the helping professions with an easy to follow model of embedded counselling that

provides tools and strategies for offering counselling relationships within a diversity of work settings The new edition is thoroughly revised and features nine new chapters addressing such topics as an A Z of practical counselling skills dealing with difficult relationships issues caused by cultural diversity or life transitions and issues in loss and bereavement The book also covers Key counselling skills such as caring listening questioning and reframing reflection attunement to a client challenging and giving advice Building a counselling relationship Developing understanding of clients issues Resolving difficult feelings and emotions Ethical principles of counselling practice Working together to change behaviour Counselling Skills 2nd edition is packed with exercises and information on recent studies to help readers relate theory to their own practice Written in an accessible engaging style with numerous case examples this book is suitable for students taking courses or modules in counselling skills counsellors in training and any professionals who may provide counselling support within their roles including teachers doctors community workers social workers and nurses

Researching Psychotherapy and Counselling Rudi Dallos, Arlene Vetere, 2005 What are the benefits of conducting research while practising Which research methods are most suitable for busy practitioners How can practitioners weave research into their everyday practice without it becoming a burdensome add on What practical and ethical considerations should counsellors and therapists take into account when researching This book focuses on the issues facing practising clinicians wishing to engage in research It outlines approaches involving both clients and other professionals in the research and argues for approaches that combine an exploration of the experience as well as the effectiveness of therapies With an emphasis on doable research the book examines the dilemmas and challenges for clinicians in recruiting participants and combining research with clinical practice and includes step by step guides to doing research projects Key topics covered include Collaborative research The ethics of research Mixed methods of research qualitative and quantitative Suitable research methods for busy clinicians Practice based evidence and evidence based practice Written by authors with extensive experience of research teaching with clinicians *Researching Psychotherapy and Counselling* provides a rigorous yet practical guide for trainee and practising counsellors psychotherapists and clinical psychologists as well as allied mental health professionals

Understanding Ageing for Nurses and Therapists Wilfred McSherry, Linda Rykkje, Susan Thornton, 2021-06-08 This volume is a practical resource for all those responsible for caring for older people across health and social care It provides a comprehensive and holistic approach helping nurses therapists and social care professionals to better understand the impact of ageing upon the person and wider society A unique feature of this text is the focus upon positive ageing and the attempt to dispel and challenge some of the myths prejudices and negative attitudes that still prevail towards ageing and older people A key objective of the book is to introduce practitioners to some of the neglected or under addressed aspects of ageing such as spirituality sexuality and LGBT Chapters are written in an engaging and interactive style and where appropriate draw upon case studies and scenarios to maximize engagement developing competence by informing

knowledge attitudes and skills The text introduces the practitioner to key dimensions of what it is to be a person physically psychologically socially and spiritually and how these contribute to the ageing process and can enhance the quality of life of older people Irrespective of whether one cares for older people in an acute hospital setting or domiciliary home care this text will be of relevance The material and content transcend health and social care boundaries providing valuable contemporary evidence that can inform and shape practice Above all this text will encourage reflection dialogue and engagement with some fundamental aspects of ageing challenging attitudes values and behaviour so that a more positive and balanced insight towards ageing is fostered This book will ensure that self awareness and professional practice are enriched and informed and the practitioner has a holistic understanding of ageing that will enable them to care for older people with compassion dignity and respect *Web-Based Education in the Human Services* Richard Schoech, Brenda Moore, Robert James

Macfadden, Marilyn Herie, 2014-02-25 Web Based Education in the Human Services reflects the vitality and diversity of Web based courses currently delivered within human services Unlike previous texts that have combined technologies such as Interactive Television ITV and two way audio where Web involvement was minimal this unique book focuses on Web based models tools and techniques used in courses where the majority of the content is delivered online The book s contributors emphasize the social aspects of learning examining topical areas not usually associated with Web based education as they remind us of the need to move beyond the similarities between WBE and face to face FTF approaches Handbook of Counselling in Britain Windy Dryden, David Charles-Edwards, Ray Woolfe, 1989 This is a handbook of the main fields of counselling activity in Britain It is designed to be used as a source of information for professionals and students of counselling and allied professionals both practising and training **Management and Labour Studies** ,1992

Encyclopaedia of Social Work in India ,1987 SWT, Social Work Today ,1985
