Counselling Young People Rebecca Kirkbride,2017-10-23 This groundbreaking book takes a humanistic approach to counselling young people establishing humanistic counselling as an evidence based psychological intervention Chapters cover Therapeutic models for counselling young people Assessment and the therapeutic relationship Practical skills and strategies for counselling young people Ethical and legal issues Research and measuring and evaluating outcomes Counselling young people in a range of contexts and settings Grounded in the BACP s competencies for working with young people this text is vital reading for those taking a counselling young people course or broader counselling and psychotherapy course for qualified counsellors working with this client group and for trainers

Counselling and Supporting Children and Young People Mark Prever,2010-02-16 This book is the ideal introduction to counselling and supporting children and young people Taking a person centred approach Mark Prever offers readers a clear understanding of the theory and practice of working with children and young people in difficulty whether in a therapeutic school or social work setting This practical text specifically addresses both the counsellor and the helper who may be unfamiliar with counselling jargon contains exercises points for further thought and discussion and boxed notes throughout highlighting exactly how the theory applies to the child or young person discusses ethics the current political agenda and evidence based practice This book is a must read for trainees and professionals working with children and young people in the fields of counselling and psychotherapy education mental health nursing youth work and social work

Counselling Adolescents Kathryn Geldard,David Geldard,2009-10-21 Filled with practical and effective approaches this book is an asset to anyone wanting to develop their skills in working with adolescents Samantha Best CAMHS Manager and Clinical Nurse Specialist This publication is a further invaluable resource to counsellors wanting to work with young people It offers a one stop shop for any practitioner who wants to understand adolescent development and the need for a counselling approach that parallels this with helpful strategies for enhancing the counselling conversation and the relationship between counsellor and the young person Barbara Rayment Director of Youth Access London Providing an excellent introduction to counselling young people that is theoretically sound and rich in delivering practical techniques this book is an important

addition to the personal library of counselling students and counsellors Associate Professor Sylvia Rodger University of Queensland St Lucia Queensland Australia In this third edition of their bestselling text Kathryn and David Geldard provide a practical introduction to the principles and practices required for successful counselling to show that working with young people can be both challenging and effective The book is divided into three main parts covering how to understand the young client as a person the pro active approach of working with young people the counselling skills and strategies needed This Third Edition has been completely revised and updated and includes two new chapters The first Maintaining a Collaborative Relationship identifies ways to engage a young person collaboratively throughout a proactive counselling process The other Professional and Ethical Issues deals with these issues as they relate to working with young people Additional practical case studies and examples show how counsellors can work pro actively with this age group The book will be of particular interest as a textbook and resource to all professionals who work with emotionally disturbed young people and will provide an excellent resource for trainees in courses on counselling social work psychology occupational therapy mental health and psychiatry nursing and education

Skills in Counselling and Psychotherapy with Children and Young People

Lorraine Sherman,2014-11-10 As interest and training in counselling children and young people continues to grow it is essential that counsellors are equipped with the skills to work with this client group In this book Lorraine Sherman draws on her years of experience in the field to provide a practical resource for qualified and trainee counsellors providing them with the necessary skills to ensure best practice with children and young people Distinguishing between working with young children and with adolescents skills covered include establishing a therapeutic relationship assessing a young client contracting counselling practice understanding and maintaining confidentiality and disclosure Using case studies and examples to help demonstrate skills in action this is essential reading for anyone planning to become or already engaged in the helping professions with young people

Relationship Counselling for Children, Young People and Families Kathryn Geldard,David Geldard,2008-12-01 If you need one book that s crammed with clinically excellent genuinely well informed and useful ideas for working with family relationships in all their permutations this is undoubtedly it Professor Colin Feltham Sheffield Hallam University This is easy to read and has a clear layout Counselling MSc students may find it an interesting introduction to the topic Times Higher Education Magazine May 2009 This book is a practical skills based introduction to relationship counselling It covers couple counselling for parents whole family counselling and counselling for children and young people with regard to their relationships with siblings peers and parents The text also includes o an introduction to relationship counselling theory and concepts o discussion of the importance of relying on a clearly defined theory of change o ways to address parenting issues o an exploration of confidentiality disclosing inappropriate behaviour and personal safety Kathryn Geldard and David Geldard present an integrative model of relationship counselling which combines skills and strategies from a number of approaches Their practical guide integrates individual and subgroup counselling with whole

family counselling providing much needed material on methods and approaches for communicating with children and young people The book will be invaluable to new relationship counsellors learning the skills required in order to bring about change and will be a useful reference book for experienced counsellors *Effective Counselling with Young People* Hazel Reid, Jane Westergaard, 2011-05-20 This book examines key theoretical counselling perspectives and applies these specifically to work with young people It establishes how to build counselling relationships in order to support young people and enable them to achieve positive outcomes and to manage their lives effectively It also identifies the key counselling skills needed to engage in purposeful helping conversations There are sections on understanding adolescent development exploring person centred principles and understanding and using motivational interviewing all of which help to blend academic theory with the realities of practice Counselling Adolescents Anne Jones, 1984 Family Planning and Pregnancy Counselling Projects for Young People Isobel Allen, 1991 What kind of services are appropriate for young people in need of contraception help and advice what sex and personal relationship information and education do young people need and what are the best ways of reaching young people who may be reluctant to use existing services **Psychodynamic Counselling with Children and Young People** Sue Kegerreis, 2009-12-18 Introducing key psychodynamic theory concepts and techniques this text examines the challenges and opportunities of counselling adolescents and children The book explores a wide variety of settings and contexts from schools to community projects and mental health services It is an invaluable guide for counsellors and therapists at all levels Counselling Adolescents in School Anne Jones, 1977 **Counselling Children and Young People in Private Practice** Rebecca Kirkbride, 2018-03-22 With statutory CAMHS services often heavily oversubscribed and school and college services mainly offering brief therapeutic interventions parents are increasingly turning to private practitioners for therapy for their children when they need expert emotional or psychological support Working privately with children and families can be a rewarding experience for counsellors and psychotherapists but it can also be fraught with concerns for both practitioners and families alike These concerns can seem so daunting that therapists with clinical experience of therapy with children continue to limit themselves to working only in education or statutory settings This book offers comprehensive guidance to both experienced and novice counsellors to assist them in the process of setting up or adapting their private practice to include children and young people It coherently and systematically addresses the obstacles which stand in the way of practitioners offering this important service effectively and ethically The book is divided into four parts and uses case material to bring to life the areas covered by each chapter *Facilitating Young People's Development* Michael Behr, Jeffrey H. D. Cornelius-White, 2008 Facilitating children's and adolescents growth has been a challenge and major concern for person centred work since the beginning of the approach in the 1940s During the past decade a shift in this domain has generated numerous new concepts research and practice making a considerable impact on both the professional tasks and training of educators counsellors and psychotherapists Fifteen original chapters and a foreword from

Brian Thorne describe this development The chapters began as presentations from a symposium at the Potsdam PCE 2006 World Association conference thus reflecting international perspectives emerging around the world today Framed by two chapters from the editors the book provides a comprehensive overview of state of the art person centred work with children adolescents and parents and identifies emerging themes in the field

Counselling Young People Ms Ellen Noonan, Ellen Noonan, 2002-09-11 Based on the author s experience as psychotherapist and counsellor this book provides an approachable introduction to the field of counselling young people for anyone undertaking counselling within organisations such as schools universities the social services or industry

Determining the Need for Vocational Counselling Among Different Target Groups of Young People Under 28 Years of Age in the European Community Anita Wijnaendts van Resandt, 1994

Counselling Young People Introduction

In today's digital age, the availability of Counselling Young People books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Counselling Young People books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Counselling Young People books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Counselling Young People versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Counselling Young People books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Counselling Young People books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for

Counselling Young People books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Counselling Young People books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Counselling Young People books and manuals for download and embark on your journey of knowledge?

FAQs About Counselling Young People Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Counselling Young People is one of the best book in our library for free trial. We provide copy of Counselling Young People in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Counselling Young People. Where to download Counselling Young People online for free? Are you looking for Counselling Young People PDF?
