In July 1954 the US housing finance expert Charles Abrams landed in Turkey on yet another consulting job for the United Nations.¹ His mandate was complicated; he had to write a report on the prevailing land use and zoning as well as propose planning legislation and housing finance structures for the future. A seasoned observer of bureaucracies, Abrams quickly realized that his contribution would simply be submerged in the pile of reports that bore witness to the Turkish Ministry of Public Works' long dealings with international institutions. Unable to

cut through the red tape of mid-level officials, he decided to take matters into his own hands. Enlisting a translator to join him, Abrams acquired a jeep and a driver to take a “four thousand-mile” whirlwind tour around the country.

The trip was hasty, zooming through villages and towns, conducting ad-hoc interviews with unsuspecting officials, from provincial governors and mayors to “private architects, businessmen, directors of factories, village officials, and villagers,” with most destinations not even meriting an overnight stay.² Still Abrams was satisfied with his findings, concluding that the trip gave him “a fairly comprehensive idea of the country and its conditions.”³ He was not the first expert to have taken such a trip and come to such a definitive conclusion. But, as Burak Erdim has outlined in detail, he was the first to propose a university of engineering and planning—one that would later be named Middle East Technical University (METU) and go on to become one of Turkey's premier higher education institutions—as a solution to Turkey's planning woes.

But what *did* Abrams find during his expedition in Turkey? How were random samples able to “elicit the nature of the principal problems” facing

The Top Books of the Year Counting On Quality The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. Counting On Quality : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Counting On Quality : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Counting On Quality : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
