**The Diary of a So-Called Saved Woman** Gabrielle Brown,2014-12-20 I don t think I m saved after all I told God that if I ever figured this thing out that I would scream it to the mountain tops Little did I know that this thing does not get figured out I have however gotten certain revelations throughout my life This is a book about growth This is my journey to salvation if I ever get there This is my personal diary poetry that I have kept for years This book is the thoughts that so many of us share Hopefully reading some of my thoughts and beliefs people will come to relate It could help people understand that the thoughts that they are having are not so irrational after all Aren t we all saying to ourselves is this right Is this wrong Am I really saved What is salvation We all want to live this life that is pleasing to God but we struggle with so much of insecurities doubts sins and habitual patterns and we find ourselves either accepting our faults or really hating ourselves It seems like people battle between being themselves or putting on this so called saved facade This book reveals my frustrating walk to so called salvation This reveals my deepest secrets and suspicions I hold nothing back This is a book of uncertain certainties Some things we just do not know and it s okay Some things we question and it s okay God is not mad The intent of this book is to put every reader into their own metamorphosis giving them a better understanding of their salvation This is the book of transformation

limitations placed on queer desire      **The Life and Work of Susan B. Anthony** Ida Husted Harper, 1899 A biography of Susan B Anthony plus a great deal of information about the 19th century women s suffrage movement      Undaunted Women of Nanking Hua-ling Hu, Zhang Lian-hong, 2010-06-30 One of the Chinese American Librarians Association s Ten Best Books of 2010 During the infamous Rape of Nanking a brutal military occupation of Nanking China that began on December 13 1937 it is estimated that Japanese soldiers killed between 200 000 and 300 000 Chinese and raped between 20 000 and 80 000 women To shelter civilian refugees a group of Westerners established a Nanking Safety Zone Among these humanitarians was Minnie Vautrin an American missionary and acting president of Ginling College She and Tsen Shui fang her Chinese assistant and a trained nurse turned the college into a refugee camp which protected more than 10 000 women and children during the height of the ordeal The Undaunted Women of Nanking juxtaposes day by day the exhausted and terrified women s wartime diaries providing vital eyewitness accounts of the Rape of Nanking and a unique focus on the Ginling refugee camp and the sufferings of women and children Vautrin s diary reveals the humanity and courage of a female missionary in a time of terror Tsen Shui fang s diary never before published in English and translated here for the first time is the only known daily account by a Chinese national written during the crisis and not retrospectively As such it records a unique perspective that of a woman grappling with feelings of anger sorrow and compassion as she witnesses the atrocities being committed in her war torn country Editors Hua ling Hu and Zhang Lian hong have added many informative annotations to the diary entries from sources including the proceedings of the Tokyo War Crimes Trial of 1946 Vautrin s correspondence John Rabe s diary and other historical documents Also included are biographical sketches of the two women a note on the diaries and information about the aftermath of the tragedy as well as maps and photos some of which appear in print in this book for the first time      Feminism as Life's Work Mary K. Trigg, 2014-06-23 With suffrage secured in 1920 feminists faced the challenge of how to keep their momentum going As the center of the movement shrank a small self appointed vanguard of modern women carried the cause forward in life and work Feminism as Life s Work profiles four of these women the author Inez Haynes Irwin the historian Mary Ritter Beard the activist Doris Stevens and Lorine Pruette a psychologist Their life stories told here in full for the first time embody the changes of the first four decades of the twentieth century and complicate what we know of the period Through these women s intertwined stories Mary Trigg traces the changing nature of the women s movement across turbulent decades rent by world war revolution global depression and the rise of fascism Criticizing the standard division of feminist activism as a series of historical waves Trigg exposes how Irwin Beard Stevens and Pruette helped push the U S feminist movement to victory and continued to propel it forward from the 1920s to the 1960s decades not included in the wave model At a time widely viewed as the doldrums of feminism the women in this book were in fact taking the cause to new sites the National Women s Party sexuality and relations with men marriage and work and financial independence In their utopian efforts to reshape work sexual relations and marriage modern feminists ran

headlong into the harsh realities of male power the sexual double standard the demands of motherhood and gendered social structures In *Feminism as Life's Work* Irwin Beard Stevens and Pruette emerge as the heirs of the suffrage movement guardians of a long feminist tradition and catalysts of the belief in equality and difference Theirs is a story of courage application and perseverance a story that revisits the bleak and lonely years of the U S women's movement and emerges with a fresh perspective of the history of this pivotal era The Girl's Own Annual ,1896 **The Saturday Evening Post** ,1900
