MARK SCHEME

Maximum Mark: 50

Purpose

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which marks were allocated to answers. It does not indicate the details of the discussions that took place at an answer's reading before marking began, which would have concerned the acceptability of alternative answers.

Mark schemes should be read in conjunction with the Question Paper and the End of Series Report.

Cambridge will not enter into discussions about these mark schemes.

This document consists of 12 printed pages.
