Into the Heart of European Poetry John Taylor, 2017-07-05 John Taylor s brilliant new book examines the work of many of the major poets who have deeply marked modern and contemporary European literature Venturing far and wide from the France in which he has lived since the late 1970s the polyglot writer critic not only delves into the more widely translated literatures of Italy Greece Germany and Austria but also discovers impressive and overlooked work in Slovenia Bosnia Hungary Finland Norway and the Netherlands in this book that ranges over nearly all of Europe including Russia While providing this stimulating and far ranging critical panorama Taylor brings to light key themes of European writing the depth of everyday life the quest of the thing in itself metaphysical aspiration and anxiety the dialectics of negativity and affirmation subjectivity and self effacement and uprootedness as a category that is as ontological as it is geographical historical political or cultural The book pays careful attention to the intersection of writing and history or politics as several poets featured here have faced the Second World War the Holocaust Communism the fall of Communism or the war in the former Yugoslavia Taylor gives the work of renowned upcoming and still little known poets a thorough look all the while scrutinizing recent translations of their verse He highlights several poets who are also masters of the prose poem He includes a few novelists who have fashioned a particularly original kind of poetic prose that stylistic category that has proved so difficult for critics to define *Into the Heart of European Poetry* should be of immediate interest to any reader curious about the aesthetic and philosophical ideas underlying major trends of contemporary European writing In a day and age when much too little is translated and thus known about foreign literature and when Europeans themselves are pondering the common denominators of their own culture this book is a

others *Alfredo de Palchi* Giorgio Linguaglossa, 2020-12-10 In this keen examination of Alfredo de Palchi's lyrical oeuvre Giorgio Linguaglossa refers to de Palchi as the missing link in Italian poetry in the second half of the twentieth century From page one of this study de Palchi's voice is in constant dialogue with the Italian poets of his time Linguaglossa gives us a complete picture of the relationship between de Palchi's asymptomatic creative paradigm and what was taking place around him While the majority of de Palchi's life was spent outside of Italy he continued to engage with Italy in his poetry in translating Italian poets into English and for close to fifty years as co editor with Sonia Raiziss of Chelsea magazine a biannual that published a significant number of translations of twentieth century Italian poets Through Chelsea magazine de Palchi also became a conduit bringing Italian poetry to non Italian speaking poetry aficionados in the United States It is especially his own verse written outside the geocultural boundaries that we know as Italy which makes this study by Giorgio Linguaglossa all the more important
