*Following is a brief look at the Addington family history, tracing our family lines as far back as records allow. It is not an extensive look at the entire Addington family, but rather a look at the family line with which we can trace to our families today. It also includes information on Robert Brosey Addington, father of Steve and Dave, and grandfather of Robert Todd, Carrie, Scott, and Brian.*

*I am not sure what started the quest for this information, but something got me going in that direction and once I started it became very intriguing. Mostly it was an effort to see where we came from, and what accomplishments those before us achieved using the Addington name. It has been very educational, and continues to spark interest in further investigating areas that I was not able to find complete information on during this project.*

*I would like to thank David Vern Addington (Houston, Texas), author of "An Addington/Chalfant History", for his book which provided a majority of the information on the many generations of the Addington family. Thanks are also extended to Irene Addington for her assistance with providing all the information on Robert Brosey Addington. Without those two, much of this would not have been possible to compile and put together.*

*I hope you find the information in this book as interesting as I did during my research. If you have any questions or wish to discuss any of the information in this booklet, please feel free to contact me at any time.*

Because William Addington was the writer's great great grandfather it is of his descendants that much of the subject matter of this history and genealogy is about. Special space is given to his son Charles Cromwell Addington who lived to a late age thus increasing the accessibility of information about this family which through two generations children and grandchildren became connected by marriage with many large families. Equally interesting information is given about other branches of the family of Addington of both England and the United States. Family history of Harry Vern Addington 1893-1930 son of Joseph Leander and Dora Elizabeth Feagans Addington who was born in White River Twp Randolph Co Indiana. He married Alma Marguerite Chalfant 1905-1979 in 1922. The Addington and Feagans families were of English or Irish origin. Both families were very early settlers in Randolph County. The Addingtons arrived there about 1835 and the Feagans about 1838. The patriarch of this family Henry Addington was probably born in London in 1720 and immigrated to North America ca 1740. He lived in Loudoun Co Virginia in 1765 and moved his family between 1768 and 1774 to Union Co South Carolina where he received a land grant in 1774. Descendants and relatives lived in Pennsylvania Ohio Virginia Indiana North Carolina South Carolina Idaho Utah Iowa Oklahoma Kansas Nebraska Missouri Maryland Colorado Oregon California and elsewhere      History of the County of Lennox and Addington (Classic Reprint) Walter Stevens Herrington, 2017-12-26

Excerpt from History of the County of Lennox and Addington

Doubtless many readers will think that some important events have been but lightly touched upon and some may venture the criticism that undue prominence has been given to others. In reply to the former I may say that I have endeavoured to make the most of the material at my command and I would remind the latter that it is very difficult to measure the importance of preserving some apparently trifling bit of history. Above everything else I have aimed at accuracy and while many errors may have crept in unobserved I feel confident that the general statements of facts are upon the whole correct. I have been singularly fortunate in securing photographs of many of the county's most celebrated men. Some of these are copies from daguerreotypes and others from faded photographs which are not in suitable condition for reproduction but I feel that it is better to preserve imperfect likenesses of such men as Samuel Casey and Peter Perry than allow the opportunity to pass and
