# Administration Vendor Performance Improvement Plan

## I. Introduction

This Performance Improvement Plan (PIP) that we have developed for our vendors operates as a strategic guide or framework designed to improve and elevate the performance of our vendors. Beyond this, it is also put in place to promote stronger partnerships and bonds between our company and its vendors. Our commitment is firmly rooted in our goal to enhance and improve collaboration and cooperation with each of our vendors. We aim to achieve better results and outcomes by implementing this plan, as it is our belief that success is the result of effectual teamwork. Furthermore, we also believe in the importance of creating coherence between our vendors' mode of operation and our own company's objectives. As such, this PIP plan ensures that all of our vendors' undertakings align perfectly and seamlessly with the objectives and goals of our company.
