The Palgrave Handbook of Masculinity and Political Culture in Europe Christopher Fletcher, Sean Brady, Rachel E. Moss, Lucy Riall, 2018-02-02 This handbook aims to challenge gender blindness in the historical study of high politics power authority and government by bringing together a group of scholars at the forefront of current historical research into the relationship between masculinity and political power Until very recently in historical terms formal political authority in Europe was normally and ideally held by adult males with female power being perceived as a recurrent aberration Yet paradoxically the study of the interactions between masculinity and political culture is still very much in its infancy This volume seeks to remedy this lacuna by considering the different consequences of the masculinity of power over two millennia of European history It examines how masculinity and political culture have interacted from ancient Rome and the early medieval Byzantine empire to twentieth century Germany and Italy It considers a broad variety of case studies from early medieval Iceland and late medieval France to Naples at the time of the French Revolution and Strasbourg after the Franco Prussian War with a particular focus on the development of political masculinities in Great Britain between the sixteenth century and the present day The Captain of the Watch James Robinson Planché, M. Lockroy, 2025-12-03 Reprint of the original first published in 1876 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

Hitler at the Obersalzberg J.C. Boone, 2008-09-27 *Hitler at the Obersalzberg* is a comprehensive history of Hitler's activities at the mountain community from 1923-1945 The study begins with legends surrounding the area long before the arrival of Hitler and his cronies Attention is given to the physical setting the development of the Nazi community and the important conferences and meetings which took place there There is considerable discussion concerning everyday life and activities centered at the Berghof Hitler's mountain retreat A glimpse of the competition which developed between Hermann Goering and Martin Bormann became evident Interspersed throughout the narrative are interviews by the author with Paula Hitler Johann Langwieder and Hans Baur which provide interesting perceptions of the Fuehrer Adolf Hitler *History of the German People from the First Authentic Annals to the Present Time* Edward Sylvester Ellis, Augustus R. Keller, 1916

Nelson, Hitler and Diana Richard D. Ryder, 2013-07-02 Clinical psychologist Richard Ryder approaches three iconic celebrities Horatio Nelson Adolph Hitler and Diana Princess of Wales as though they were his patients and presents a short psycho biography of each Beneath their obvious differences he finds striking similarities in their backgrounds and early experience especially being deprived of their mothers love In a short Epilogue the author asks what lessons might be learned for the future from these three famous figures of the past The History of Nations Henry Cabot Lodge, 1928 **The**

Encyclopædia Britannica: A-ZYM Day Otis Kellogg, Thomas Spencer Baynes, 1903 **The Encyclopaedia Britannica**, 1894 **Ashes and Roses of a Millennium** Ryan L. L'Eveillee, 2003-11-26 As the main character lives an entire millennium he witnesses firsthand various milestones of forgotten generations such as the Crusades the Renaissance and the devastating World Wars in an emotionally charged way that no textbook could ever describe Savor the deepest hopes and fears of well known individuals of ages past Unveil the delicate humanity within history's heroes and villains who are not much different than us History is no longer a detached subject but an intimate force like a grandparent's weary heart and unconditional love with an inextinguishable promise of hope for the future As the pages unfurl you will learn things you may not even know about yourself Discover the simplest but most profound secrets of life Discover how your very existence was ultimately determined a thousand years ago and how you yourself have been carving the next millennium since the day you were born engraving your own name in the essence of time itself *Ashes and Roses of a Millennium* holds a legacy of love that will surely provoke a deep and intimate passion for history in the young and old alike Encyclopaedia Britannica, 1891
