Adoptionland Janine Myung Ja, 2014-07-21 Ever wondered what it's like to be adopted This anthology begins with personal accounts and then shifts to a bird's eye view on adoption from domestic intercountry and transracial adoptees who are now adoptee rights activists Along with adopted people this collection also includes the voices of mothers and a father from the Baby Scoop Era a modern day mother who almost lost her child to adoption and ends with the experience of an adoption investigator from Against Child Trafficking These stories are usually abandoned by the very industry that professes to work for the best interest of children child protection and for families However according to adopted people who were scattered across nations as children these represent typical human rights issues that have been ignored for too long For many years adopted people have just dealt with such matters alone not knowing that all of us as a community have a great deal in common

Making Sense of Motherhood Beth M. Stovell, 2016-02-02 Motherhood provides a crucial place for exploring human life and its meaning Within motherhood lies a deep tension between the pain crisis and association with death in motherhood and the joy transformation and life in motherhood Few metaphors in Scripture or in life stand so firmly between life and death love and loss and joy and deep pain After all motherhood's meaning in part comes again and again at these crucial crossroads Thus motherhood has powerful implications for our biblical and theological understanding Bringing together Jewish and ecumenical Christian scholars from North America Oceania and South America this edited volume provides biblical and theological perspectives on understanding motherhood The authors reflect upon a selection of biblical texts systematic theologians and Christian spiritual traditions to dialogue with the experience of maternity in its diverse manifestations The purpose of the book is to provide essays that through these biblical and theological lenses engage the question of motherhood today from the

experience of pregnancy and birth to raising children to losing children and coping with grief In this way this volume helps to make sense of the complexity of motherhood *Report of Cases Argued and Determined in the Supreme Court of the State of Arizona* Arizona.
