*Adrian Plass Classics* Adrian Plass,1998 Adrian Plass's unique perspective on life and faith can be enjoyed once more in this omnibus edition of three of his best selling books In *The Growing Up Pains* of Adrian Plass we meet the real Adrian Plass as opposed to his fictional counterpart in the Sacred Diary series *Cabbages for the King* and *View from a Bouncy Castle* are collections of stories sketches and poems which celebrate both the profundity and absurdity of life while making keen points about the gospel Underlying Adrian's irrepressible humour is his passionate conviction that God embraces us in our weakness and vulnerability and that we need to gain a child like perspective in order to understand just how much he loves us

*The British National Bibliography* Arthur James Wells,2009 [A Doubter's Guide to the Bible](#) John Dickson,2015-02-03 A concise account of the whole biblical narrative and what it means as well as the beliefs and lifestyle it inspires for those observing Christianity from the outside especially those who think there are good reasons not to believe *A Doubter's Guide to the Bible* charts a biblical roadmap from the story of creation to the fulfillment of creation answering many of the most frequently asked questions along the way How can we read the creation account in Genesis in light of modern science How should Old Testament law be understood when it appears inconsistent and irrelevant Isn't the story of Jesus birth a little far fetched What is the Gospel Why are there four accounts of the same thing and what are they really saying John Dickson provides a readable and inviting Bible primer for anyone interested in informing themselves about the most widely read book in the history of humanity By presenting the whole of the Bible as an account of God's promise to restore humanity to Himself and humans to one another and to creation Dickson allows believers and skeptics alike to gain insight into why the Bible has been a compelling life changing and magnetic force throughout the ages and why it still matters

**The Final Boundary** Adrian Plass,2000 A collection of thought provoking short stories from the best selling Adrian Plass Through this collection of humorous and moving stories Adrian Plass reminds us of the failings we share as human beings As we get caught up in our every day lives it is all too easy to be unaware when our egos become inflated and and we forget to consider the feelings of others The home truths in these stories carry a message for us all but they are told in a way that will make you smile and sometimes wince with self recognition Adrian Plass has once again succeeded in getting us to take a closer look at our lives and our relationship with God
