## **Corruption And The Global Economy:**

Corruption and the Global Economy Kimberly Ann Elliott, 1997 The recently adopted OECD convention outlawing bribery of foreign public officials is welcome evidence of how much progress has been made in the battle against corruption The financial crisis in East Asia is an indication of how much remains to be done Corruption is by no means a new issue but it has only recently emerged as a global issue With the end of the Cold War the pace and breadth of the trends toward democratization and international economic integration accelerated and expanded globally Yet corruption could slow or even reverse these trends potentially threatening economic development and political stability in some countries As the global implications of corruption have grown so has the impetus for international action to combat it In addition to efforts in the OECD the Organization of American States the World Trade Organization and the United Nations General Assembly the World Bank and the International Monetary Fund have both begun to emphasize corruption as an impediment to economic development This book includes a chapter by the Chairman of the OECD Working Group on Bribery discussing the evolution of the OECD convention and what is needed to make it effective Other chapters address the causes and consequences of corruption including the impact on investment and growth and the role of multinational corporations in discouraging bribery The final chapter summarizes and also discusses some of the other anticorruption initiatives that either have been or should be adopted by governments multilateral development banks and other international organizations

Captured by Evil Laura S. Underkuffler,2013-05-21 One of the most powerful words in the English language corruption is also one of the most troubled concepts in law According to Laura Underkuffler it is a concept based on religiously revealed ideas of good and evil But the notion of corruption defies the ordinary categories by which law defines crimes categories that punish acts not character and that eschew punishment on the basis of religion and emotion Drawing on contemporary examples including former assembly woman Diane Gordon and former governor Rod Blagojevich this book explores the implications and dangers of maintaining such an archaic concept at the heart of criminal law

Judicial Anti-Corruption Campaigns Nedim Hovic,2025-07-10 This book offers a comparative analysis of cases of mass prosecutions for political corruption in Italy Brazil and Romania The book outlines how judicial showdowns with political corruption emerge what consequences they create and whether they can be considered legitimate judicial operations or coups orchestrated by political forces with the assistance of the judiciary Due to the similarities exhibited in the legal political and economic spheres of the events the book explores the Italian Mani Pulite Brazilian Lava Jato and Romanian judicial anti corruption campaigns These campaigns were simultaneously legal operations narratives created by the media and opportunities for the emergence of new political actors The book demonstrates why judicial activity was a crucial tool for reducing and preventing corruption in these countries In addition to investigating the key legal issues and narratives the book explores the controversies of these campaigns and assesses whether they should be seen as judicial revolutions or cases of prosecutorial overreach Providing a holistic comparative assessment of judicial means as a tool for controlling corruption this book will be of interest to academics in the fields of Corruption Studies Law Development Studies and Political Science

**Corruption, International Trade, and Economic Growth** Chonira Aturupane,2000 Regional Comparisons in Comparative Policy Analysis Studies Iris Geva-May,B. Guy Peters,Joselyn Muhleisen,2020-06-29 Volume Three of the Classics of Comparative Policy Analysis contains chapters concerned with Regional Comparisons and Policy Analysis one of the most prevailing approaches in comparative public policy Through the prism of inter jurisdiction comparisons of similarities and variations they address comparisons in specific policy sectors governance or institutional constructs and political regimes

The foci are nevertheless on those comparisons between countries or regions which help to lesson draw by identifying and understanding the variation in policy analysis and policy making that exists within or across regions One benefit of regional comparisons is that it often allows studies to hold constant many variables ranging from colonial legacy to federal systems or from language to specific traditions and more effectively isolate dependent variables Regional organizations like the Organization for Economic Co operation and Development OECD or European Union are also considered as catalysts for regional policy approaches and harmonization and occupy a major role in this volume The chapters address a broad and diverse number of countries and geographical areas Latin America North America East Asia Southeast Asia Southern Africa the Baltic states the Nordic states Western Europe Central Europe Eastern Europe and Europe as a whole Regional Comparisons and Policy Analysis will be of great interest to scholars and learners of public policy and social sciences as well as to practitioners considering what can be learned or facilitated through methodologically and theoretically sound approaches The chapters were originally published as articles in the Journal of Comparative Policy Analysis which in the last two decades has pioneered the development of comparative public policy The volume is part of a four volume series the Classics of Comparative Policy Analysis including Theories and Methods Institutions and Governance Regional Comparisons and Policy Sectors Each volume showcases a different new chapter comparing domains of study interrelated with comparative public policy political science public administration governance and policy design authored by the JCPA co editors Giliberto Capano Iris Geva May Michael Howlett Leslie A Pal and B Guy Peters
