Beautiful Eyes Jr. MD Mauriello,2001-03-25

BEAUTIFUL EYES CAN BE YOURS What is the first thing you notice when you look at a person's face? Most people will answer the eyes. This book outlines the components of beautiful eyes that are framed by the eyelids. Any distortion of the eyelids detracts from the observer's view of the eyes. Eyes brighten to create a refreshed, symmetrically unoperated appearance when cosmetic restorative eyelid surgery is performed without changing the shape of the eyes. Dr. Mauriello's patients who undergo eyelid surgery are grateful for this change and understand his unique, small incisional techniques that elevate the upper cheek to its natural position at the time of routine cosmetic eyelid surgery and rejuvenate the entire face. In this second edition of *Beautiful Eyes*, all your questions about cosmetic eyelid surgery are answered. While no reading material replaces the benefits of a one-on-one pre-surgical consultation, this book helps you determine whether you are a candidate for cosmetic surgery and provides you with pertinent questions to present to the surgeon. Testimonials and practical tips from his patients who have benefited from cosmetic eyelid surgery provide the patient's perspective.

Cosmetic eyelid surgery: the only cosmetic eyelid surgery Dr. Mauriello performs
