Cosmic Duality Time-Life Books,1991 Investigates the history and nature of paranormal activities such as demonic activity creation myths and philosophies of good evil *Cosmic Duality ; Mysteries of the Unknown* Time-Life,1991

Divine Twins Nakoa Rainfall,AI,2025-02-26 Divine Twins explores the fascinating prevalence of twin deity myths across diverse cultures and their profound significance in shaping religious mythological and historical narratives These myths often grapple with fundamental aspects of the human condition such as the tension between opposing forces like order and chaos or life and death and the quest for balance The recurring motif of twin deities found in traditions as varied as the Dioscuri in Greek mythology and the Ashvins in Vedic texts offers insights into how humanity understands the cosmos morality and the self This book argues that these myths aren't mere coincidences but rather shared reflections of psychological and philosophical concerns By examining examples from ancient cultures the book uncovers recurring themes such as fraternal rivalry and shared destinies demonstrating how these narratives address questions of identity destiny and the relationship between the human and divine realms Divine Twins adopts an interdisciplinary approach drawing from religious studies anthropology and history to provide a holistic understanding The book progresses by first introducing the concept of twin deities and cosmic duality then delving into case studies from various traditions It analyzes the attributes roles and narratives of these twin figures emphasizing their representation of complementary forces This approach maintains scholarly rigor while remaining accessible to a broad audience making it valuable for both students and general readers interested in comparative religion and ancient cultures *Legal Texts and Legal Issues* Kampen,Moshe Bernstein,Florentino García Martínez,2018-11-26 This volume contains the papers presented to the second meeting of the International Organization for Qumran Studies held in Cambridge UK in 1995 The papers all dealing with the theme of the meeting Legal Texts and Legal Issues are arranged into five sections The first section New Texts contains publications of legal texts including a copy of the Temple Scroll from Cave 4 Section two presents studies on different aspects of 4QMMT from its use of Scripture to its concept of Holiness and its relevance for understanding the history of Qumran The following two sections contain studies on legal texts and legal issues such as purity divorce and sabbath legislation The final section Qumran and the New Testament focuses on the importance of the Qumran texts for the study of the New Testament The volume is published in honour of Joseph M Baumgarten and it contains an appreciation of Baumgarten's work as well as his bibliography *The Oxford Handbook of Religion and Violence* Mark Juergensmeyer,Margo Kitts,Michael K. Jerryson,2015-11 Violence has always played a part in the religious imagination from symbols and myths to legendary battles from colossal wars to the theater of terrorism The Oxford Handbook of Religion and Violence surveys intersections between religion and violence throughout history and around the world The forty original essays in this volume include overviews of major religious traditions showing how violence is justified within the literary and theological foundations of the tradition how it is used symbolically and in

ritual practice and how social acts of violence and warfare have been justified by religious ideas The essays also examine patterns and themes relating to religious violence such as sacrifice and martyrdom which are explored in cross disciplinary or regional analyses and offer major analytic approaches from literary to social scientific studies The contributors to this volume innovative thinkers who are forging new directions in theory and analysis related to religion and violence provide novel insights into this important field of studies By mapping out the whole field of religion and violence The Oxford Handbook of Religion and Violence will prove an authoritative source for students and scholars for years to come Faith Physics Nathan V.
