

10 Crystals for Witches

Quartz is the most versatile of crystals, and it is able to do just about everything you need. It boosts the powers of other materials like herbs and other crystals, focuses and directs energy, especially quartz points, and can be used for protection, balancing, meditation, and dispelling negative energy.

Citrine is well-known for its cleansing ability and can be used to cleanse you, your magical tools, other crystals, or even to diffuse a situation or disturbance in your home such as nightmares. Furthermore, it can be used to enhance psychic ability, making it a great companion to divination.

Rose Quartz is perfect for spells and rituals involving emotions, especially love. Use it to attract romance, affection, and friendship, bring soothing, healing energy to your home, diffuse situations, and bring peace to those fighting or suffering a great loss.

Amethyst helps deepen meditation, improves psychic ability, and aids in the remembrance of dreams. Wearing the crystal or placing it on your nightstand or altar will produce the greatest effect. If you have deities in your craft, it also makes a great offering, especially in cracked geode form.

Most people only associate amber with the Sun due to its yellow and orange color. One legend suggests amber to be the tears of the Sun, but if you know how amber is made you will find it has a deep connection with the Earth as well. Being blessed by both the Earth and the Sun makes this crystal an extremely powerful protection gem.

Malachite is perfect for prosperity magic. It is also a great crystal for protection, supposedly warding off evil and allowing the bearer to sense danger to come. It is also due to the green hues that many witches, especially green witches, use it in grounding rituals or spells.

This glass-like, black crystal is sacred to Hecate, the goddess of witches, and a favorite crystal for scrying mirrors. It can also be used for protection, boosting strength, and breaking down obstacles due to its volcanic origin. Being black, you can also use it in banishing magic.

Moonstone crystal is milky white in color and ruled by the Moon. Like amethyst, it aids in dream recall and increases intuition. It also calms emotions, like rose quartz, and benefits women's health like bloodstone.

Tiger's eye, which gets its name of the bands from the gold in a base of brown, is used for strength, courage, good fortune, and boosting self-confidence. Roman soldiers used to carry it in their pockets when they went off to battle.

Bloodstone is also a great stone for protection, good luck, success, and courage like the Tiger's Eye.
