Cottage Crazy:

Cottage Crazy Paul Kropp, 1988 *Our Homes and Gardens*, 1929 *Man from Bolshevik Gully, The George Cettl*, 2020-07-27 THE FIRST eMEMOIR OF MINING LIFE IN THE OPAL MINING CAPITAL OF THE WORLD COOBER PEDY SOUTH AUSTRALIA One of the original miners of the wild frontier opal mining community of Coober Pedy South Australia recalls life in the town during its heyday when it was virtually cut off from the rest of the country without TV radio or even running water and accessible only via inhospitable dirt roads Yet the opal mined there and the jewelry made was distributed throughout the world It was a vibrant time to be in the prime of one's life though the hardship of raising a family there was unique in the world From the central drive in movie theater to the development of a thriving tourist trade this authentic memoir depicts an Australia that few have ever read about or know about It was never my intention to write about Coober Pedy as per the statistics pages For this you can contact the mining department and they will give you all the statistical information you want What I wanted to do was to document the everyday life and small adventures of the people who built this unique town in the middle of nowhere Every one of them deserve their names in the history books in a much better way than I am capable of doing and I hope somebody someday will properly do so The illustrations in this volume are primarily from my return trip to Coober in 2013 with the assistance of my son although there are also original and archival photographs of the time I was originally there My intent by including them is to give a cumulative parallel impression while reading about the town's history of the way it appears today to those passing through I remember it differently of course but it is what it is George Cettl **Adirondack Ghost Stories** Dennis Webster, 2025-05-06 Adirondack Ghost Stories features tales of hauntings apparitions and the hidden lives of spirits that lurk with the towns and mountains of the Adirondacks Collecting stories written by well known local authors psychics mediums ghost hunters and award winning short story writers editor Dennis Webster returns to showcase the uncanny and unnerving presence that all of us at some time have felt hovering just behind our shoulder From the mysterious ghost who walks the shores of White Lake to the face of the young woman who jumped from the high peaks and now appears on her tombstone the hauntings at Barkeater Chocolates the truth about what happened to Troop 48 those decades ago at Camp Russell and many more Adirondack Ghost Stories explores the otherworldly happenings that take place in one of the most ancient and mysterious places in the country *Bad Love Strikes* Kevin L. Schewe, 2019-09-16 In October 1939 Albert Einstein warns President Franklin D Roosevelt that Nazi Germany is actively pursuing an atomic bomb and urges him to make sure that the United States develops the bomb first Roosevelt heeds the warning and launches the Manhattan Project in June 1942 **Homes and Gardens**, 1928 A practical magazine dealing with houses furniture and equipment gardens sic **Harper's Young People**, 1885 **Coasts of Devon & Lundy Island** John Lloyd Warden Page, 1895 *The Storymakers*, 2000 Explore the lives of 83 of the most talented children's authors writing today Told in the authors own words these lively biographies describe the creative process and offer advice
