Handbook of School Counseling Hardin L.K. Coleman, Christine Yeh, 2011-04-06 The mission of this forty eight chapter Handbook is to provide a comprehensive reference source that integrates counseling theory research and practice into one volume. It is designed to meet the needs of entry level practitioners from their initial placement in schools through their first three to five years of practice. It will also be of interest to experienced school counselors, counselor educators, school researchers and counseling representatives within state and local governments.

Elementary School Guidance & Counseling, 1985 *Introduction to Counseling and Guidance* Robert Lewis Gibson, Marianne Mitchell, 1999 This introduction to counseling text includes comprehensive coverage of process setting and theory. It presents practical examples and discussions of the major facets of counseling in both school and non school settings. Readers are provided with an overview and general discussion of six critical areas: 1 historical perspectives and current activities of counselors, 2 the role and function of counselors in a variety of settings, 3 techniques utilized by counselors, 4 the organization of counseling programs, 5 research and evaluation responsibilities and 6 legal and ethical guidelines.

Counseling in Schools John J. Schmidt, 2008 This popular school counseling text helps students understand the components and services that comprise comprehensive school counseling programs in the context of the 21st Century. The fifth edition retains important historical foundations of the school counseling profession while adapting contemporary definitions and terms to describe comprehensive models for the 21st Century. New information has been added about the ASCA National Model as well as other approaches to comprehensive programs. An entire new chapter about diversity and how increasingly diverse populations will influence school counseling programs and the work of counselors in schools expands this new edition. Diagrams, sample forms, figures and other illustrations throughout the text clarify points of information, provide practical examples and offer opportunities for class discussion.

Elementary School Counseling in the New Millennium Daya Singh Sandhu, 2001 Examines primary issues that affect elementary school age children, addressing the social and cultural complexities that influence children's behavior and describing what can be done to help children succeed. Presents numerous counseling program strategies designed to meet the needs of K-6 students and

School Counseling Daniel T. Sciarra, 2004 This school counseling text written from a practitioner's point of view addresses the common problems and challenges facing school counselors. It provides students with an overview of the school counseling profession as well as practical information on working with troubled youth. The book consists of two parts. Part One addresses the foundational issues such as current trends and controversies in the field of school counseling, individual and group counseling, consultation with teachers and parents, the use of data for assessment and program evaluation, and career development. Part Two provides content on certain populations of children such as racial/ethnic minority youth, children with disabilities, children of loss, depressed and suicidal children, and also covers such topics as sexual development and sexual orientation, substance abuse prevention, intervening with violence and violence prevention, and child maltreatment.

Career Counseling Vernon G. Zunker, 1994 This revised edition of Zunker's successful text continues to provide students with a foundation in career development principles and concepts. The book translates theoretical principles of career development and research into practical counseling objectives, programs, and strategies. The historical development of the field is covered, as well as computer use of tests and how to use DOT (Dictionary of Occupational Titles). The book covers career guidance over the life span, including career guidance for school-age children, college students, and adults in career transition. Procedures for planning and using a career resource center are also included.
