Types of Gambling Addiction

It's normal for a person to go through three different phases of addiction:

1

The winning phase

This is the euphoric feeling that people enjoy the most.

2

The losing phase

It's impossible to win all the time, and losing is inevitable.

3

The desperation phase

This phase occurs after a person has lost repeatedly, and they're desperate to do anything.

The desperation phase is scary because it can lead to criminal activity,

Depression

lost relationships

lost employment

suicide
