Counselling Children Kathryn Geldard,David Geldard,2008 In this Third Edition of their bestselling text Kathryn Geldard and David Geldard provide a practical introduction to the principles and practices required for successful counseling to show that working with young people can be both challenging and effective The Third Edition has been completely revised and updated and includes two new chapters The book is divided into three main parts

covering How to understand the young client as a person The pro active approach of working with young people The counseling skills and strategies needed **Key Theories and Skills in Counselling Children and Young People** Rebecca Kirkbride,2021-05-19 This book provides a highly accessible skills focused entry point to the interventions techniques strategies and core knowledge you need to work with children and young people Divided into four parts it covers Core Knowledge Understanding Development from 0 18 years Key Skills The Therapeutic Process Key Skills Interventions Techniques Strategies Key Considerations Contexts Client Groups Its bite sized entries include suggested additional resources to help you explore the topic further and throughout the book you will find case studies and exercises to aid your understanding This book is ideal for mental health and therapy trainees and practitioners who need a foundation in working with children and young people **Canadian Journal of Counselling** ,2000 **A Practical Guide to Family Therapy** Andrew Wallis,Kerrie James,Paul Rhodes,2024-06-12 Grounded in systemic family therapy and drawing on a variety of other models to enhance skills development this book is a comprehensive practical guide to working with families This second edition is thoroughly updated and includes new chapters which cover working with First Nations Families diversity and family therapy understanding emotions and dialogical reflective processes The book begins with a focus on the therapeutic relationship and use of self as a foundation and from there provides the reader with practical skill oriented guidelines for working with families From the first session to addressing the complexities of separated parents parent child relational breaches family of origin issues wider systems managing emotions diversity and much more the book takes the reader through core practices that will become essential skills for family work Written by an expert team of authors committed to innovative and contextual practice this book is for experienced clinicians who want to learn to work with families and for beginning therapists to learn from a structured approach to developing complex skills Chapters 2 3 and 14 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license **Counselling Adolescents** Kathryn Geldard,David Geldard,1999 This practical book has been specifically designed for students and professionals working with emotionally disturbed adolescents It introduces the specific issues associated with counselling adolescents and describes how traditional counselling skills can be enhanced by the use of pro active processes for more effective use with this client group Kathryn and David Geldard describe the nature of adolescence explore adolescents counselling needs giving an account of the pro active approach to counselling they developed for use with this client group and describe the use of widely accepted counselling skills which enable the adolescent to arrive at strategies for addressing specific issues The final part contains case **Counseling Children** John B. Mordock,1990-01-01 **NIMHANS Journal** ,1998 **Sexual Abuse** Gloudina Maria Spies,Christiaan Bezuidenhout,2006 Sexual abuse is a highly complex phenomenon that encompasses the dynamics of sexual abuse the wide ranging effects it has on child victims and their families the legal rights of all the parties involved and the role

played by professional practitioners working in this field Counselling Children and Young People in Private Practice Rebecca Kirkbride,2018-03-22 With statutory CAMHS services often heavily oversubscribed and school and college services mainly offering brief therapeutic interventions parents are increasingly turning to private practitioners for therapy for their children when they need expert emotional or psychological support Working privately with children and families can be a rewarding experience for counsellors and psychotherapists but it can also be fraught with concerns for both practitioners and families alike These concerns can seem so daunting that therapists with clinical experience of therapy with children continue to limit themselves to working only in education or statutory settings This book offers comprehensive guidance to both experienced and novice counsellors to assist them in the process of setting up or adapting their private practice to include children and young people It coherently and systematically addresses the obstacles which stand in the way of practitioners offering this important service effectively and ethically The book is divided into four parts and uses case material to bring to life the areas covered by each chapter *Basic Personal Counselling* David Geldard,1999 This introduction to personal counselling for professional and volunteer counsellors and those who train them covers the specific skills required and includes examples of dialogue to show how counselling skills are implemented in real situations *A Practical Guide to Counselling* ,2004 **Facilitating Young People's Development** Michael Behr,Jeffrey H. D. Cornelius-White,2008 Facilitating children s and adolescents growth has been a challenge and major concern for person centred work since the beginning of the approach in the 1940 s During the past decade a shift in this domain has generated numerous new concepts research and practice making a considerable impact on both the professional tasks and training of educators counsellors and psychotherapists Fifteen original chapters and a foreword from Brian Thorne describe this development The chapters began as presentations from a symposium at the Potsdam PCE 2006 World Association conference thus reflecting international perspectives emerging around the world today Framed by two chapters from the editors the book provides a comprehensive overview of state of the art person centred work with children adolescents and parents and identifies emerging themes in the field *Forthcoming Books* Rose Arny,2004 **BMJ** ,1998 *Whitaker's Books in Print* ,1998 Working with Children and Young People Lindsay O'Dell,Stephen Leverett,2011 Includes bibliographical references and index *Care-Therapy for Children* Ken Redgrave,2000 Kenneth Redgrave introduces the theory and practice that child care workers need to grasp when using third objects such as paint computers and music when delivering therapy and counselling
