

I'm thinking
everything wasn't so serious
but
things were different

when my mother's hug
was my own child
I
in the beginning
don't need anyone

Things were a lot different
after they abandoned me
back when I had a certain hope
when I did not understand
the plan
could fix all problems. I
becoming my own parent
am ready to make a change.
someone, *hold me tight* but now
