## **Cottage Threads:**

*Cottage Threads* Renée Nanneman, Need'l Love Company, Inc, 2000\* **The Crimson Thread** Gaurav Garg, The story of the modern world is written in cotton It is a story that begins not with empires or kings but with a tiny 8 000 year old thread preserved in a copper bead in a Neolithic grave and with a simple fishing net that allowed an ancient Peruvian civilization to thrive In *The Crimson Thread* we embark on a sweeping global journey to uncover the epic history of this humble fiber and how it became the commodity that built our world and nearly broke it For millennia India was the world's textile workshop producing legendary fabrics so fine the Romans called them *ventus textilis* or woven air This ancient dominance was shattered by the Industrial Revolution in Britain where a series of brilliant inventions the spinning jenny the water frame the steam engine created a new insatiable hunger for raw cotton This book reveals in stark unforgettable detail how that hunger led directly to the two great sins of the 19th century the brutal expansion of chattel slavery in the American South and the systematic destruction of India's economy under the British Raj The crimson thread of exploitation that runs through this history connects the overseer's whip in Mississippi to the impoverished weaver in Bengal That same thread continues today *The Crimson Thread* is a damning exposé of the modern fashion industry from the environmental catastrophe of the dyeing Aral Sea to the state sponsored forced labor of the Uyghurs in Xinjiang which produces a fifth of the world's cotton It reveals the secrets of the fast fashion business model and the new bondage hidden in the clothes we wear every day But this is not just a story of exploitation It is also a powerful story of resistance and hope We meet the abolitionists who first weaponized consumer choice the Indian freedom fighters who spun their own cloth as an act of rebellion and the modern activists scientists and designers who are pioneering a new more sustainable future through Fair Trade organic farming and the slow fashion revolution *The Crimson Thread* is a monumental work of narrative history a book that will leave you with a profound new understanding of the fabric of our lives and the choices we all face in weaving a better future **Threads**

A child's life can be transformed by the people he or she holds the most dearest to their heart However when a child is not given the opportunity to experience the world as any normal adult the results and the damages it brings can be devastating Having no proper guidance and love Aaron was a child who explored his world discovered his family and lived through physical and sexual abuse in a small village He grew older never to understand the meaning of love his rights to free will and his rights to get an education He was denied everything that was possible under the sun The world was unkind to Aaron as he searched diligently and effortlessly within himself to find the answers that would right his many wrongs and put an end to his tireless struggles It seemed everywhere that Aaron turned there was a road block that prevented him from moving forward in his life Throughout his childhood Aaron could not understand what he has done to deserve and live through his painful experiences suffering fear ridicule from strangers and neglect from his own family Aaron would eventually get older to remember and reflect on all the experiences that occurred in his past Though these experiences have shaped him into the person he is today he has dealt with it accordingly by suppressing all the pain and burying it deep within his soul Still impacted by the roadblocks and malice he encountered through his stay in the village Aaron has used his experiences as motivation to improve his condition in life He has become a survivor of death slavery and abuse but in the end he will never stop to exceed people's expectations of a child who at one point didn't have a way of being successful in this world The evil in many people's hearts has caused tremendous damage to this young child's self esteem but his fight passion and focus to become someone has embedded a desire in himself to overcome all odds and have a name in this world that will never be forgotten Lloyd N Moffatt
