Catalog of Copyright Entries Library of Congress. Copyright Office,1976 The Art of Discrimination Ralph Cohen,
Moonglade Janice Gray,1976 **Catalogue of Title-entries of Books and Other Articles Entered in the Office of
the Librarian of Congress, at Washington, Under the Copyright Law ... Wherein the Copyright Has Been
Completed by the Deposit of Two Copies in the Office** Library of Congress. Copyright Office,1977-07 **Take All My
Loves** Janice Gray,1975 **The Unfolding of The Seasons** Ralph Cohen,2021-12-29 First published in 1970 The Unfolding
of The Seasons provides an interpretation and evaluation of James Thomson s poem The Seasons Professor Cohen urges its
reconsideration as a major Augustan poem arguing that Thomson s unity diction and thought combine with a conception of
man nature and God which is poetically tenable and distinctive The case for The Seasons as an important work of art depends
upon its effectiveness as a moving vision of human experience and Professor Cohen believes that many critics have not felt
this effectiveness because they have misconceived Thomson s vision and misunderstood his idiom His study aims to persuade
them to return to the poem and to examine it within the context of an Augustan tradition Professor Cohen shows that
Thomson s great achievement is to have fashioned a conception which by bringing nature to the forefront of his poem
became a new poetic way of defining human experience Thomson was not the first nature poet in English but he was the first
to provide an effective idiom in which science orthodox religion natural description and classical allusions blended to
describe the glory baseness and uncertainty of man s earthly environment holding forth the hope of heavenly love and
wisdom This study shows that Thomson found a personal idiom by means of which he created an artistic vision It will appeal
to those with an interest in English literature and in philosophy *A dictionary of English authors, biographical and
