1940s Secrets

Kathleen Armour

1940s Secrets:

The 1940s Dorothy Hoobler, Thomas Hoobler, 2001-01-01 In 1944 Gabriella Esther and other young people see the impact of World War II on their lives in the United States *Mystery Movie Series of 1940s Hollywood* Ron Backer, 2014-01-10 Many of the 20th century's most celebrated fictional sleuths appeared in Hollywood movie mystery series of the forties This volume focuses on 19 series 146 films The Saint The Lone Wolf Sherlock Holmes The Shadow Nick Carter Michael Shayne Ellery Queen Boston Blackie The Falcon Mr District Attorney Wally Benton Crime Doctor The Whistler Inner Sanctum Dick Tracy Philip Marlowe Jack Packard and Doc Long Steve Wilson and Lorelei Kilbourne and John J Malone For each series there is an overview of the source material the individual films and the performers who acted in them An overall review of each film is included with a critique of the film's quality and the cohesiveness of its plot For movies based on written works a comparison between the film and its literary original is offered *The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr Mystery Movie Series of 1930s Hollywood Ron Backer, 2012-08-01 This companion volume to *Mystery Movie Series of 1940s Hollywood* McFarland 2010 focuses on 22 series and 167 individual films primarily released during the 1930s It was a decade that featured some of the most famous cinema detectives of all time among them Charlie Chan Nick and Nora Charles Philo Vance Nancy Drew and such lesser known but equally entertaining figures as Hildegard Withers Torchy Blane Mr Moto Mr Wong and Brass Bancroft Each mystery movie series is placed within its historical context with emphasis on its source material and the changes or developments within the series over time Also included are reviews of all the series films analyzing the quality and cohesiveness of the mystery plotlines For titles based on literary sources a comparison between the film and the written work is provided **Sharing Secrets with Stalin** Bradley F. Smith, 1996 As engaging as it is astonishing this book provides extremely important revelations and striking pen portraits etched in acid of the main actors Certainly the sources are fabulous John Erickson author of *The Road to Stalingrad* A well written account filled with original material and documentation Good reading for anyone interested in the history of WWII intelligence Publishers Weekly starred review McCarthy v. Wayne Circuit Judge, 294 MICH 368 (1940), 1940 Sacred Secrets Jerrold L. Schechter, Leona Schechter, 2002 Analyzes how government secrets such as President Truman's decision to make a sacred secret of the Venona intercepts distort politics and our understanding of history *L. A. Young Spring & Wire Corp. v. Falls, 293 MICH 602 (1940)*, 1940 76 *The Draft, 1940-1973* George Q. Flynn, 1993 Individual liberty is ingrained in American culture Yet in contrast to this cherished ideal American men were inducted into military service under a system

that flourished for more than twenty years before its rationalization was seriously questioned by more than a small minority of citizens Analyzing this paradox George Flynn provides the first comprehensive look at an institution that managed to sustain political and public favor through two wars before dying out under a barrage of protests during a third Placing the American draft within a historical context he shows how social and political considerations determined the character of conscription in the United States The draft developed as it did he argues not mainly because of military needs or strategy but because of political decisions initiated by civilians with nonmilitary agendas Explaining why the draft remained relatively immune to political criticism prior to the Vietnam conflict Flynn chronicles the draft s military and strategic successes and failures in America s mid century wars He shows how major institutions and lobbies representing science education and various professions and religions influenced it and how ultimately and ironically the selective character of the draft eventually made the system inequitable and helped cause its downfall
