

The cover of the 1991 Yearbook of Astronomy features a vibrant, abstract nebula design. The background is a deep blue, speckled with numerous small, bright white and yellow stars. Overlaid on this are various shades of green, ranging from light lime to dark forest green, forming a complex, swirling pattern. Several dark, circular spots are scattered throughout, some appearing as if they are part of the nebula's structure. A prominent, bright white star is located in the upper left quadrant, casting a soft glow. The text is centered and reads: "1991" in white, "Yearbook of Astronomy" in green, "Edited by" in pink, and "Patrick Moore" in white.
