## **1993 Health Law Handbook:**

*Health Law Handbook 1999* Gosfield,1999-01-01      **Legal Handbook for Texas Nurses** Susan Schuerman Murphy,1995-01-01 As the scope of nursing practice expands and as the government imposes more regulations on the health care industry nurses face increased legal liability This book provides a reliable guide to the laws that affect nurses in Texas Susan Murphy writes in easily understood nontechnical terms for people without specialized legal training After discussing the licensing requirements for registered and licensed vocational nurses she covers the following topics Scope of Practice Advanced Nurse Practitioners Nursing Negligence Insurance Nursing Negligence Consent Informed Consent Drug Therapy Documentation AIDS and Hepatitis B Employment Issues Ethical Issues This handbook provides nurses with a single convenient source for specific information about their legal rights responsibilities and liabilities In addition employers of nurses and attorneys specializing in medical malpractice labor law and health law will find the book to be an essential reference      **Health Law Handbook** ,2008      **Management and Administration Skills for the Mental Health Professional** William O'Donohue,Jane E. Fisher,1999-08-17 Psychologists receive several years of specialized study on the brain behavior and mental health but despite the fact that over half ultimately end up in administrative or managerial roles they receive no formalized training in the skills necessary to be successful in these roles This book is the first of its kind to target the managerial and administrative skills necessary for the mental health professional The book discusses practical information such as how to deal with personnel issues how to set budgets and allocate resources and how to document progress and maintain schedules in the domains of private practice hospitals government agencies and universities Chapter authors are well known and successful psychologists within these settings and include Raymond Fowler past president of the American Psychological Association      *Martindale Hubbell Law Directory* Martindale-Hubbell,2003-12      **Annals of Health Law** ,1994      **Improving Quality** Claire Gavin Meisenheimer,1997 Upgrade your QA effort into a state of the art program of continuous quality improvement This practical resource shows you how Improving Quality provides step by step instructions for assessing programs and designing implementing and evaluating a new program that meets current standards as well as the needs of individual organizations and patients It includes models for quality programs in seven practice areas and dozens of ready to use charts forms and questionnaires      *Handbook of Subacute Health Care* Kathleen M. Griffin,1995 The Handbook of Subacute Health Care is the first complete resource containing specific information on how to develop and operate a profitable subacute care hospital or unit It offers everything providers need to decide whether they should enter the subacute marketplace and if so how to make decisions that will lead to profitability Sample forms financial worksheets and other hands on materials are provided      [Searching the Law - The States](#) Francis R Doyle,2022-11-14 This revised two volume set reproduces the easy to use logically organized format of Searching the Law for each of the 50 U S states Arranged by state and by topic within each state it features a complete list of all the legal research materials available for

each state jurisdiction thousands of citations to the legal literature of each state materials applicable to more than one topic listed under each topic repeated listings under each state and topic where they apply and author title publisher format and the latest known supplement for each citation Searching the Law The States is the companion text to Searching the Law Together the sets form one of the most comprehensive logical legal reference sources available Published under the Transnational Publishers imprint The print edition is available as a set of two volumes 9781571052872

**Ethics in Health Care** Silvia Angelina Pera, Susara Van Tonder, 2005 Dealing primarily with nursing in South Africa and the particular challenges that the country's nurses encounter this book looks at the ethical questions confronting nurses as well as the moral philosophy behind those considerations Ubuntu the African notion that everyone in a community is responsible for the welfare of its members plays a large part in the moral deliberations of the book as do problems particular to South Africa This second edition is updated with new case studies on the AIDS pandemic as well as new ethical questions stemming from the legalization of abortion in South Africa and the rise in the power of health worker unions
