April In Nanjangud:

April in Nanjangud G. S. Sharat Chandra,1971 **Encyclopedic Dictionary of Diasporic Indian English Writing** Manju Jaidka,Tej N. Dhar,Natasha Vashisht,2025-05-15 The Handbook of Diasporic Indian Writing in English is an essential reference to Indian literature It features alphabetical entries of Indian writers who have bridged the gap between cultures and redefined language boundaries As the field of diasporic writing continues to expand and intersect with various branches of English and Cultural studies it anticipates a growing market It offers a unique and compelling perspective on the global tapestry of literature It draws on various interdisciplinary approaches including postcolonial theory cultural studies and digital humanities to offer fresh and innovative perspectives on the literature It is an indispensable resource for research scholars of literary studies and related disciplines like cultural studies and postcolonial studies **Asian American Poets** Guiyou Huang,2002-05-30 Even though Asian American literature is enjoying an impressive critical popularity attention has focused primarily on longer narrative forms such as the novel And despite the proliferation of a large number of poets of Asian descent in the 20th century Asian American poetry remains a neglected area of study Poetry as an elite genre has not reached the level of popularity of the novel or short story partly due to the difficulties of reading and interpreting poetic texts The lack of criticism on Asian American poetry speaks to the urgent need for scholarship in this area since perhaps more than any other genre poetry most forcefully captures the intense feelings and emotions that Asian Americans have experienced about themselves and their world This reference book overviews the tremendous cultural contributions of Asian American poets Included are alphabetically arranged entries on 48 American poets of Asian descent most of whom have been active during the latter half of the 20th century Each entry begins with a short biography which sometimes includes information drawn from personal interviews The entries then discuss the poet s major works and themes including such concerns as family racism sexism identity language and politics A survey of the poet s critical reception follows In many cases the existing criticism is scant and the entries offer new readings of neglected works The entries conclude with bibliographies of primary and secondary texts and the volume closes with a selected general bibliography **The Mysore Tribes and Castes ...** L.
