correct what he felt were the misguided impressions people had of the Ottoman Empire in 1915 From his own visits to the
region he felt that there is nothing in our daily private life or public life today which is not directly or indirectly influenced by
some human movement that took place in this zone He firstly discusses different periods from its history from the Roman and
Persian influence to that of Muhammad and the introduction of Islam to Sulaiman the Magnificent s triumph in Baghdad In
this way Sykes hopes to impart to the reader the extent of the important role played by the Empire through time The tone
then changes and becomes more personal as the reader is granted access to the Colonel s own diaries and experiences in
order to add more color and insight to the historical facts already relayed Traveling with his dragoman a Christian from
