

Crazy Rich Asians meets *The Help*: From Reese's Book Club veteran Balli Kaur Jasswal comes an absolute tour de force—the wildly entertaining and sharply observed story of three women who work in the homes of Singapore's elite and band together to solve a murder mystery involving one of their own

THE WEALTHY ISLAND NATION OF SINGAPORE SEEMS LIKE AN OASIS OF LUXURY AND ORDER, BUT IT OWES EVERYTHING TO THE IMMIGRANT WOMEN WHOM NO ONE SEES. . . .

Coraean, Doria, and Angel are Filipino domestic workers—part of the wave of women sent to Singapore to be cleaners, maids, and caregivers.

CORAEN: A veteran domestic worker, Cora has retired back to the Philippines for good, but she has returned to Singapore under mysterious circumstances. Now she's keeping a secret from her wealthy employer.

DORIA: Barely out of her teens, Doria is in Singapore for the first time. Brave and exuberant, she's thrown herself into a love affair with an Indian construction worker and started a lively—and indiscreet—social media account.

ANGEL: An in-home caregiver for an elderly employer, Angel is alarmed when her employer's son suddenly brings in a new nurse who may be a valuable ally—or who may be meant to replace her.

Then an explosive news story sends a chill down the spine of every domestic worker. Floridina Martinez, a Filipino maid, has been arrested for murdering her employer. The three women don't know the accused well, but she could be any of them: every worker knows stories of women who were scapegoated—even executed—for crimes they didn't commit.

Shocked into action, Doria, Coraean, and Angel will use their considerable minds and insight to piece together what really happened. After all, no one knows the secrets of Singapore's elite like the women who work in their homes. . . .
