Birth Mother:

Adopting Maternity Nora Moosnick, 2004-03-30 Discusses the issues related to race class and gender involved in adoption based on in depth interviews with 22 adoptive mothers This text compares and contrasts the experiences of white women who adopted Asian black or biracial children The bulk of the book is dedicated to presenting the women s words as they talk about their perceptions of fertility treatments birth mothers other mothers adoption processes and outsiders reactions among other matters Feminist discourse is used to examine the applicability of these theories to women s self characterizations Beginning with an overview of the theoretical basis of the book discussions of becoming an adoptive mother and the realities of being an adoptive mother follow Each chapter presents feelings and experiences of adoptive mothers in addition to analysis that brings these feelings into broader societal context This honest portrayal will offer adoptive families adoption professionals and social workers important insights into mothers adoptive experiences Scholars of women s studies social work and sociology will find this volume useful as well *Public Health Reports* ,2002 *Health Services Reports* ,2002

Surrogate Motherhood Rachel Cook, Shelley Day Sclater, Felicity Kaganas, 2003-06-30 This multi disciplinary book explores legal ethical social psychological and practical aspects of surrogate motherhood in Britain and abroad Siblings in Adoption and Foster Care Deborah N. Silverstein, Susan Livingston Smith, 2008-12-30 Normally our relationships with our brothers and sisters are the longest relationships in our lives outlasting time with our parents and most marriages today The sibling relationship is emotionally powerful and critically important giving us a sense of continuity throughout life So what happens when a child loses contact not only with his or her parents but with siblings too That is what happens in thousands of cases each year inside the child welfare system Children are surrendered by parents or taken by the government and placed in the foster care system There they are often separated and sent to different foster families or adopted by different couples In this work a team of top experts details for us how this added separation further traumatizes children This stellar team of internationally known researchers some of whom are themselves adoptees shares with us hard poignant and personal insights as well as ways we might act to solve this widespread problem Contributors address not only the importance of nurturing sibling bonds and mental health strategies to support those relationships but also the legal rights of siblings to be together as well as issues in international adoptions Emerging and standing programs to encourage and facilitate adoptions that keep siblings together are featured as are programs that at least enable them to stay in contact
