Bisexuality A Study

Anna Levy-Warren

Bisexuality A Study:

Bisexuality Charlotte Wolff,1977 *Bisexuality in the United States* Paula C. Rust,2000 FOR YEARS BISEXUALITY WAS CONSIDERED MERELY A TRANSITIONAL STAGE between a person s presumed sexuality whether heterosexual or homosexual and their true sexuality Bisexuality was therefore regarded with suspicion by the lesbian and gay community and with contempt by the straight world The study and understanding of bisexuality has surpassed the stereotyped representations of previous eras e g Basic Instinct but few books attempt seriously to engage the subject as a whole Paula Rust at last rectifies the absence in the literature by presenting the first interdisciplinary and comprehensive review of social scientific research and theory about bisexuality With contributions by sociologists psychologists historians political theorists and others Bisexuality in the United States yields an overall picture of what we know and what we don t know about the subject The book provides a wealth of information about the lives and experiences of bisexual people Articles cover early research in which bisexuality was conceptualized as situational homosexuality pioneering research on bisexuality as an authentic sexual orientation scholarship on bisexuality in the context of AIDS research the phenomena of bisexual chic and biphobia queer theory and the contemporary relationship between academia and political activism Selections include theoretical and empirical studies from social science perspectives as well as popular writings about the growth of the bisexual movement in the 1980s and 1990s *Current Research on Bisexuality* Ronald Fox,2013-04-03 Current Research on Bisexuality is an important resource on recent psychological and sociological findings in bisexual studies The authors provide research findings and case studies that add to our understanding of bisexual identity bisexuality and relationships bisexuality and ethnicity and attitudes toward bisexual people This book examines research findings literature reviews and a wealth of resources that currently exist on bisexuality and bisexual issues This book will bring you up to date on bisexual identity development bisexuality in college students cross orientation friendships of bisexual women bisexual married women and men and their spouses bisexuality and heterosexually married couples monogamous as well as open bisexual relationships the interrelationship of bisexuality race and ethnicity attitudes toward bisexual women and bisexual men Current Research on Bisexuality also contains a comprehensive reader s guide to the current social science literature about bisexuality This bibliography brings together a wide range of nonfiction books journal articles book chapters theses and dissertations on bisexuality with a focus in the theoretical research clinical and community perspectives that have that have developed in the last twenty years This reading list is essential for students educators researchers and practitioners in psychology counseling social work psychiatry education sociology and anthropology Current Research on Bisexuality provides new knowledge of the life experiences of bisexual people With this book you ll find a basis for further research and education about bisexuality in the greater context of ongoing research education and advocacy regarding lesbian gay bisexual and transgender issues

Dual Attraction Martin S. Weinberg,Colin J. Williams,Douglas W. Pryor,1994 The authors explore the riddle of dual

attraction in their study of 800 residents of San Francisco Fieldwork intensive interviews and surveys provide a wealth of data about the nature of bisexual attraction the steps that lead people to become bisexual and how sexual preference can change over time It is a must read for all those interested in the study of sexual behavior *Loving Them Both* Colin MacInnes,1973 Bisexuality D. Joye Swan,Shani Habibi,2018-03-07 This pathbreaking volume brings together a diverse body of sexual behavioral and social science research on bisexuality Arguing for a clear evidence based definition of bisexuality and standardized measures for assessing sexual orientation it spotlights challenges that need to be addressed toward attaining these goals The book s deep trove of findings illuminates the experiences of bisexual men and women in key aspects of life as well as common mental health issues in the face of stigma prejudice and outright denial from the heterosexual and homosexual communities Throughout contributors examine the paradoxical invisibility of bisexuality even as society and science have become more inclusive of lesbians and gay men and emphasize the critical role of thoughtful respectful support across societal and mental health domains Among the topics covered Defining bisexuality challenges and importance of and toward a unifying definition Plurisexual identity labels and the marking of bisexual desire Binegativity attitudes toward and stereotypes about bisexuals Female bisexuality identity fluidity and cultural expectations Romantic and sexual relationship experiences among bisexual individuals Bisexuality is a substantial reference for psychologists scholars and graduate students in LGBTQIA studies and clinicians seeking both theoretical and applied perspectives on the research into bisexuality It also offers instructors a supplemental research based textbook option for teaching courses related to sexuality and bisexuality Bisexuality Beth A. Firestein,1996-08-20 A landmark volume in the field Bisexuality presents a state of the art glimpse of what is known and what remains to be known about bisexuality Editor Beth A Firestein gathers together an impressive group of researchers activists educators theorists and clinicians to offer insight into this understudied sexual orientation Written in a scholarly but accessible style this noteworthy collection of essays provides a focused comprehensive introduction to research theory and practical clinical knowledge about bisexuality The contributors agree that given recognition and validity the study of bisexuality can extend what we know about sexual orientation and sexual identity as well as shed light on previously unexplored aspects of sexuality This insightful volume explicates the emergence of bisexuality as a phenomenon requiring a paradigm shift in sexual orientation studies and discusses the implications of this shift Bisexuality makes accurate high quality information about the subject available to professionals and students in lesbian gay studies gender studies sociology family studies and human sexuality The book also brings current clinical perspectives together in a user friendly volume for practitioners in social work and clinical counseling psychology **Current Research on Bisexuality** Ronald C. Fox,2004 A guide to current theory research and practice on bisexuality for sex researchers and everyone else who needs a short course on the topic The Changing Dynamics of Bisexual Men's Lives Eric Anderson,Mark McCormack,2016-05-05 This important book provides unique new knowledge on the lived experience of openly bisexual men

without medicalizing or pathologizing them Presenting research from sexology sociology and psychology it features extensive findings on the sexual social romantic and emotional behaviors of the 90 men interviewed in the U S and U K Issues and challenges are examined in such areas as identity and self concept along with the burden of social erasure and the paradox of stigma from both the gay and straight communities However the research reveals evidence of a recent cultural transition toward acceptance of bisexual identity and behavior with younger bisexual men experiencing better social lives and increased recognition of the legitimacy of bisexuality Among the topics covered Examining the components of sexuality Measuring and surveying bisexuality Bisexual burden Demonstrating a generational cohort effect Expansion of gendered boundaries Erosion of the one time rule of homosexuality Coming out in the 21st century Bringing clarity and focus beyond the gender binary and compelling insights into why society and science have trouble shedding that paradigm The Changing Dynamics of Bisexual Men s Lives will interest sexuality scholars sexologists and social scientists studying the social aspects of sexuality

Bi Julia Shaw,2022-06-28 Bi The Hidden Culture History and Science of Bisexuality is a provocative eye opening and original book on the science of sexuality beyond gender from an internationally bestselling pop psychologist Significant strides have been made in the movement for LGBTQ rights visibility and empowerment but the conversation is far from over For psychological scientist and bestselling author Dr Julia Shaw the dearth of information on bisexuality was crushing so she dug deep and found a colorful and fascinating world that she could help bring out of the shadows In Bi The Hidden Culture History and Science of Bisexuality Shaw explores all that we know about the world s largest sexual minority through a personal journey that starts with her own openly bisexual identity and celebrates the resilience and beautiful diversity of the bi community This rigorous and entertaining book will challenge us to think deeper about who we are and how we love

Bisexuality in the Lives of Men Erich W Steinman,Brett Genny Beemyn,2014-06-03 Explore the theoretical political psychological and cultural issues surrounding male bisexuality *Bisexuality in the Lives of Men* is the first anthology to focus on men who love both men and women The theoretical scientific and literary essays in this landmark volume dispel the fictions that bisexual men are greedy promiscuous confused deceptive unfaithful HIV positive the dominant images of bisexual men in our culture Whether portrayed as a coward who can t quite come out into full gayness or a smooth talking serial killer the bisexual man has been vilified in books and movies In scholarly studies they are often ignored or else lumped together with gay men It is now widely acknowledged that human sexuality is more complex and diverse than the narrow categories gay and straight But while the use of the term bisexual has become much more common in the last decade an understanding of bisexuality itself lags far behind A lack of research on how bisexuality is experienced interpreted and encoded in literature film and other aspects of popular culture means that stereotypes stigma and confusion are still prevalent *Bisexuality in the Lives of Men* is a multidisciplinary examination of this neglected topic bringing together expertise reflecting divergent approaches and fields to show the whole bisexual man Topics include a thoughtful review and

analysis of the public health research on the role of bisexual men in HIV transmission a study of the marital consequences of a husband's bisexuality including couples who have stayed together an analysis of the heartfelt discussions taking place in an online bi male community an empirical study of the ways that bi negativity differs from homophobia an essay bringing together queer theory and social constructionist ideas to explain why bisexual men are much less visible than bisexual women The rigorously analytical yet accessible essays in this volume offer new information and perspectives about male bisexuality Bisexuality in the Lives of Men is an essential resource for anyone interested in the theoretical political and cultural issues of male bisexuality Women and Bisexuality Serena Anderlini-D'Onofrio, 2003 Get a global perspective on bisexuality from a women's viewpoint Women and Bisexuality A Global Perspective reflects the growing contribution bisexuals and especially bisexual women make to queer culture on an international level This unique book presents a collection of thoughtful essays studies and reviews that combine to help develop a language that reflects the reality of bisexuality from a feminine feminist viewpoint Authors map the inroads made by bisexual studies into conventional disciplines including anthropology sociology health literature film history and biography and analyze the situations of bisexual women in areas as diverse as France North America Germany Australia and Africa The rich and varied contributions to Women and Bisexuality A Global Perspective track the spread of bisexuality from the urban and metropolitan centers of gay culture to more peripheral areas as the movement becomes more and more hospitable to transnational and transcultural people The book's main themes bisexuality's ability to disrupt categories and the resulting feeling of alienation many bisexuals experience are manifested in approaches that include critical theory deconstruction textual analysis cognitive psychology personal essay review essay reportage and qualitative study Topics addressed include the impact of feminism and women's communities on the appearance of bisexual women multi sexual relationships as border existence in Australia a South African perspective on bisexuality understanding bisexuality's invisibility Lillian Hellmann's bisexual fantasies and much more Women and Bisexuality A Global Perspective follows bisexuality to the crossroads of academics and activism presenting a wide scope of refreshing and insightful thought that reflects more than an identity or practice The diverse mix of ideas is an essential read for anyone interested in literature on sexuality **An Ideographic Study of Bisexuality** Peter Burns Parker, 1977 **Studies in Human Sexuality** Suzanne G. Frayser, 1987 **Bisexual Resource Guide** Robyn Ochs, 1999 *Queer Studies* Mickey Elianon, Michele Eliason, 1996 An anthology of expanded versions of papers presented at a November 1994 conference held at the University of Iowa with sections on issues of identity and queer theory in practice Essays are distinguished by their accessibility to undergraduates and non academic readers and cover areas that have often been marginalized by queer studies in the past such as race transgender bisexuality and s m Subjects include recontextualizing butch in 20th century lesbian culture and scientific racism and the invention of the homosexual body Annotation copyright by Book News Inc Portland OR Encyclopedia of Queer Studies in Education ,2022-02-07 Choice

Award 2022 Outstanding Academic Title Queer studies is an extensive field that spans a range of disciplines This volume focuses on education and educational research and examines and expounds upon queer studies particular to education fields It works to examine concepts theories and methods related to queer studies across PK 12 higher education adult education and informal learning The volume takes an intentionally intersectional approach with particular attention to the intersections of white supremacist cisheteropatriarchy It includes well established concepts with accessible and entry level explanations as well as emerging and cutting edge concepts in the field It is designed to be used by those new to queer studies as well as those with established expertise in the field

Education, Research, and Practice in Lesbian, Gay, Bisexual, and Transgendered Psychology Beverly Greene, Gladys Croom, 1999-11-15 The Fifth Volume in the annual series Psychological Perspective on Lesbian and Gay Issues is devoted to providing a basic collection of resources for educators practitioners and researchers in Lesbian Gay Bisexual and Transgendered Psychology The volume and the series are sponsored by Division 44 of the American Psychological Association Academic psychologists have been challenged to make psychology curricula more inclusive Program changes involve revising undergraduate and graduate course material and content to represent the full spectrum of sexual orientation identity development and life dilemmas Similarly trainers and educators responsible for training in related mental health disciplines mental health agencies and other venues that deliver psychological services to Lesbian Gay Bisexual And Transgendered Psychology individuals have been appropriately challenged to make training competent practitioners a priority Many practitioners who have had no training in Lesbian Gay Bisexual And Transgendered Psychology find themselves confronted with clients that they feel ill equipped to address They often have the desire to develop clinical competencies in this area but don t know where to begin This volume is intended to serve as a basic resource with information on salient lesbian gay bisexual and transgendered psychology issues and to provide the reader with a range of references and other resources to explore key identity development and other subjects

Bisexuality A Study Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Bisexuality A Study PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Bisexuality A Study PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources

available. In conclusion, the availability of Bisexuality A Study free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Bisexuality A Study Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Bisexuality A Study is one of the best book in our library for free trial. We provide copy of Bisexuality A Study in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Bisexuality A Study. Where to download Bisexuality A Study online for free? Are you looking for Bisexuality A Study PDF? This is definitely going to save you time and cash in something you should think about.
