Freedom's Ballot Margaret Garb,2024-05-31 In the spring of 1915 Chicagoans elected the city s first black alderman Oscar De Priest In a city where African Americans made up less than five percent of the voting population and in a nation that dismissed and denied black political participation De Priest s victory was astonishing It did not however surprise the unruly group of black activists who had been working for several decades to win representation on the city council Freedom s Ballot is the history of three generations of African American activists the ministers professionals labor leaders clubwomen and entrepreneurs who transformed twentieth century urban politics This is a complex and important story of how black political power was institutionalized in Chicago in the half century following the Civil War Margaret Garb explores the social and political fabric of Chicago revealing how the physical makeup of the city was shaped by both political corruption and racial empowerment in ways that can still be seen and felt today

Books in Print ,1981 American Book Publishing Record ,1977-03-31 Here s quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets

Civil Rights Movement Michael Ezra,2009-05-13 This work documents the importance of the civil rights movement and its lasting impression on American society and culture This revealing volume looks at the struggle for individual rights from the social historian s perspective providing a fresh context for gauging the impact of the civil rights movement on everyday life across the full spectrum of American society From the landmark Brown v Board of Education case to protests against the Vietnam War to the fight for black power Civil Rights

Movement People and Perspectives looks at events that set the stage for guaranteeing America's promise to all Americans. In eight chapters, some of the country's leading social historians analyze the most recent investigations into the civil rights era's historical context and pivotal moments. Readers will gain a richer understanding of a movement that expanded well beyond its initial focus: the treatment of African Americans in the South to include other Americans in regions across the nation.

Books in Print Supplement, 1982 On Target Noah S. Schwartz, 2022-08-31 The National Rifle Association (NRA) is an important actor in the American gun debate. While popular explanations for the group's influence often focus on the NRA's lobbying and campaign donations, it receives lesser attention for the mass mobilization efforts that make these political endeavours possible. On Target explores why the NRA is so influential and how we can understand the group's impact on firearms policy in the United States. The book looks at how the NRA both draws upon and shapes historical meta-narratives regarding the role of firearms in America's national identity and how this is part of a larger effort to expand the community of gun owners. Noah S. Schwartz demonstrates how the NRA portrays a vision of the past through events such as its annual meeting, communications such as *American Rifleman* magazine and NRA TV, and points of contact including the National Firearms Museum. Based on fieldwork in Indiana and Virginia, including participant observation at NRA events and firearm safety classes, thematic analysis of audio-visual material, and interviews with NRA executives and members, On Target sheds light on the ways in which the NRA tells stories to build and mobilize a politically motivated network of gun owners.
