Bitter Enchantment:

Bitter Enchantment Yvonne Whittal,1979 **Dare to Dream** Yvonne Whittal,2012-06-06 After five years Jenna Reeves was still haunted by the tragedy of her husbands death As a journalist in Cape Town she worked long hours and pushed herself to the limit Forced eventually to take a break she finds herself staying in her aunts cottage on a wine farm and very quickly makes the acquaintance of the owner Robert Rousseau The attraction between them is instantaneous and powerful and no matter how much they try they cant seem to stay away from each other The relationship between them does not run smoothly mainly because Jenna cannot conform to Roberts preference for a relationship without ties They finally walk away from each other but fate brings them back together again when Jenna is assigned the task of interviewing Robert and the attraction between them flares up stronger than before It finally takes another tragedy to shake the foundations of their world *Easy Money* Bertram Atkey,1908 *Making Meaning in Popular Romance Fiction* Jayashree Kamblé,2014-08-07 Despite pioneering studies the term romance novel itself has not been subjected to scrutiny This book examines mass market romance fiction in the U K Canada and the U S through four categories capitalism war heterosexuality and white Protestantism and casts a fresh light on the genre Modern Classic Short Novels Of Science Fiction Gardner Dozois,2014-10-28 The novella is in the words of Gardner Dozois a perfect length for a science fiction story long enough to enable you to flesh out the details of a strange alien world or a bizarre future society and yet still short enough for the story to pack a real punch The thirteen masterpieces assembled in *Modern Classic Short Novels of Science Fiction* travel to the farthest reaches of the imagination through realms of immortality along alternate paths of time and across vast galaxies to explore the best of all imaginable worlds The Engrafted Rose Emma Brooke,1900 Bid Time Return Lilian Harry,2015-11-19 Previously published in paperback under the name *Donna Baker Cumbria* 1901 aged twenty one Joanna has never seen England before Now her father s death has sent her home from India back to a country and family she has never known As she prepares to meet relations of her father for the first time she must also ready herself to claim her inheritance and house and working mines in this new land But Joanna has brought with her another inheritnace a knowledge and affinity with the customs and traditions of India the nation which raised her And the dreams she has now are not just visions of her past but they might just become guidance for her future As she grows to understand the stories behind the tragic loves and marriages in her family s past she wonders if she will be the one to break the pattern But answering this question will test her to the limit **Shadow Prowler** Alexey Pehov,2011-02 *Shadow Prowler* is the first in a trilogy that follows *Shadow* Harold on his quest for a magic Horn that will restore peace to the Kingdom of Siala Harold will be accompanied on his mission by an Elfin princess and the most dangerous fighters in their world **Good-Bye Heathcliff** Mariam Darce Frenier,1988-06-03 *Virginal* Heroines young and naive but seething with passion change sardonic heroes into loving monogamous husbands Such romance novel characters and themes have been transformed by the women s movement

argues history professor Frenier in this convincing well researched study Frenier surveys earlier feminist studies of women s romances and traces the evolution of the romance industry focusing on the competition between Harlequin s more traditional British writers and the American authors of Silhouette She finds undertones of rape and violence in late 1970s novels giving way to more explicit and equal sexuality to gentler more nurturing heroes matched with stronger more experienced heroines By the late 1980s premarital sex and women s careers are assumed in many novels but the heroines greatest power remains her ability to inspire her hero to addictive obsessive love the subject is fascinating Booklist Now claiming an audience that includes nearly one third of adult women in the United States popular romance fiction is holding its own against competing media and has shown an ability to keep abreast of changing tastes In the first recent book length analysis of the subject Frenier looks at developments in this literary genre in light of feminist issues and the pervasive social changes that continue to affect women in the post World War II decades Exploring traditional and more contemporary depictions of romantic heroines as well as changing approaches to sexuality she assesses the degree to which the values of the sexual revolution and women s movement have penetrated this form of popular culture
