Black Bridge China:

The United States and China Dong Wang, 2021-07-28 Now fully revised and updated *The United States and China* offers a comprehensive synthesis of US Chinese relations from initial contact to the present Balancing the modern 1784 1949 and contemporary 1949 present periods Dong Wang retraces centuries of interaction between two of the world's great powers from the perspective of both sides She examines state to state diplomacy as well as economic social military religious and cultural interplay within varying national and international contexts As China itself continues to grow in global importance so too does the US Chinese relationship and this book provides an essential grounding for understanding its past present and possible futures

The China Matrix Lee Smith, 2025-10-14 The U S ruling class sold out America to China Can Donald Trump destroy the alliance before it's too late For half a century America's establishment has forged an alliance with the Chinese Communist Party one that enriched elites hollowed out the middle class and imperiled U S national security They sold out American workers for cheap labor Wall Street profits and political power But then came Donald Trump In *The China Matrix* New York Times bestselling author and investigative journalist Lee Smith reveals the shocking truth about how U S political and corporate elites conspired with Beijing to reshape the global order at America's expense From Henry Kissinger's secret dealings with Mao to the tech oligarchs cozying up to Xi Jinping Smith exposes the web of corruption and betrayal that spans decades He reveals how globalism Silicon Valley and the media worked together to whitewash China's crimes while dismantling American industry and national security But this is also a story of resistance Smith chronicles how Trump's presidency shattered the illusion of a benign China forcing the establishment to confront the consequences of their own greed From trade wars to TikTok fentanyl to finance *The China Matrix* details the battle between America First and the entrenched pro China elite and what's at stake in the next chapter of this global showdown With stunning new revelations about Elon Musk's growing influence Joe Biden's China entanglements and the role of U S universities in Beijing's espionage network *The China Matrix* is a gripping exposé of the most dangerous alliance in modern history and the fight to break free before time runs out

Bridges Charles Smith Whitney, 1929 *Fighting on the Cultural Front* Hongshan Li, 2024-04-09 The Cold War conflict between the United States and the People's Republic of China did not only encompass political military diplomatic and economic clashes The two powers also confronted each other on the cultural front Despite a long history of extensive and mostly constructive cultural interactions the two nations cut off existing ties in the late 1940s and early 1950s and established new relationships aimed at attacking and isolating each other Even after Beijing and Washington permitted cultural exchange as part of their effort to normalize diplomatic relations in the 1970s the weaponization of cultural interactions continued Hongshan Li provides a groundbreaking account of the confrontation between the United States and the People's Republic of China on the Cold War's cultural front He investigates the origins evolution and significance of the role of cultural interactions in the shifting relations between the United States and the PRC from the late 1940s through the

late 1970s Li demonstrates that the drastic transformation of U S China cultural interactions not only altered the course of Sino American cultural relations but also shaped the Cold War experience of the two peoples Fighting on the Cultural Front examines topics such as competition and conflicts over Chinese students and scholars stranded in the United States maneuvers on the authorization of journalistic exchanges the establishment of Taiwan as a cultural bastion and Beijing s promotion of its revolutionary ideology through individual U S citizens particularly African Americans This important book offers a new lens on the history of U S China relations and the cultural side of the global Cold War
