## Children Of War:

**Handbook of Resilience in Children of War** Chandi Fernando, Michel Ferrari, 2013-04-23 Their frightened angry faces are grim reminders of the reach of war They are millions of children orphaned displaced forced to flee or to fight And just as they have myriad possibilities for trauma their lives also hold great potential for recovery The Handbook of Resilience in Children of War explores these critical phenomena at the theoretical research and treatment levels beginning with the psychosocial effects of exposure to war Narratives of young people s lives in war zones as diverse as Afghanistan Sri Lanka Columbia and Sudan reveal the complexities of their experiences and the meanings they attach to them providing valuable keys to their rehabilitation Other chapters identify strengths and limitations of current interventions and of constructs of resilience as applied to youth affected by war Throughout this cutting edge volume the emphasis is on improving the field through more relevant research and accurate evidence based interventions in such areas as An ecological resilience approach to promoting mental health in children of war Child soldiers and the myth of the ticking time bomb The Child Friendly Spaces postwar intervention program The role of education for war zone immigrant and refugee students Political violence identity and adjustment in children The Handbook of Resilience in Children of War is essential reading for researchers scientist practitioners and graduate students in diverse fields including clinical child school and developmental psychology child and adolescent psychiatry social work counseling education and allied medical and public health disciplines

*Children of War* Jo Boyden, Sara Gibbs, 1997 Examines the relationship between conflict and psycho social distress how children their families and communities are affected by war and social upheaval and the appropriateness of national and international responses to psycho social problems Children of War Roger Rosenblatt, 1976-01-01 Children of War Susan Goodman, 2005 Capturing the amazing experiences of a special generation Susan Goodman brings together the dramatic amusing poignant and everyday stories from those who grew up during the Second World War Children and War Helga Embacher, 2013 The amount of international research on Children and War carried out by academics governments and non governmental organizations has continually increased in recent years At the same time there has been growing public interest in how children experience military conflicts and how their lives have been affected by war and its aftermath In light of the many brutal post colonialist civil wars or new wars especially in Africa and Asia child soldiers have in particular gained increased attention Simultaneously since the 1990s the history of the Holocaust and World War II has also increasingly been written from the perspective of children those who speak out now and publish their memoirs experienced the Holocaust as children A similar generational change has also taken place in the societies of the perpetrators Germans and Austrians who experienced the war as children took over the role of war witnesses from the soldiers of the German Wehrmacht Moreover intensified focus on children s experiences and their strategies for dealing with what they went through is evident in Eastern Europe as well In *Children and War Past and Present* scholars from different academic

disciplines practitioners in the field and representatives of government and non governmental institutions approach this sensitive subject from different angles and in various methodological ways The book shows how children expressed their experiences in letters memoirs and diaries during and after World War I and World War II and how children remembered those wars Many of the authors also deal with various long term psychological effects Using the example of children s literature in World War I and the representation of child survivors in the postwar cinema another focus of the book is on the representation of children in different wars Based on post colonial and contemporary wars in Africa images of girl and boy soldiers created by the media NGOs and governments as well as trends in how they are represented in contemporary research are also discussed The last section of the book concentrates on various institutions such as welfare organizations and NGOs dealing with children in different wars How have institutions supported children And concerning contemporary conflicts how does the international community face the question of international justice and adapt to children s needs

## Adopting the Beat of Phrase: An Emotional Symphony within **Children Of War**

In a world eaten by screens and the ceaseless chatter of quick conversation, the melodic elegance and emotional symphony developed by the written term frequently disappear in to the back ground, eclipsed by the persistent sound and interruptions that permeate our lives. But, located within the pages of **Children Of War** a charming literary treasure filled with organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, this charming masterpiece conducts readers on a psychological journey, well unraveling the concealed tunes and profound affect resonating within each carefully constructed phrase. Within the depths of the emotional review, we can discover the book is central harmonies, analyze its enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
