Without Justice For All Adolph Reed, 2018-02-12 Without Justice for All The New Liberalism and Our Retreat from Racial Equality questions examines and explains the way a new orthodoxy of American leaders has contributed to the social stratification and inequality which plagues America today By looking at the history of our social policies since the New Deal as well as the status of specific policy arenas essayists show how political shifts over the past fifty years have moved us away from a more egalitarian politics Throughout the book responds critically to the now conventional argument that liberalism must be reconfigured in ways that retreat from immediate identification with the interests of labor minorities and the poor From a look at federal housing policy and the failure of New Deal social programs to an examination of long established public assistance programs and Affirmative Action Without Justice for All is a timely and important contribution to the dialogue on race in modern America

Current Issues in Transitional Justice Natalia Szablewska, Sascha-Dominik Bachmann, 2014-10-27 This volume is an inter disciplinary scholarly resource bringing together contributions from writers experienced academics and practitioners working in fields such as human rights humanitarian law public policy psychology cultural and peace studies and earth jurisprudence This collection of essays presents the most up to date knowledge and status of the field of transitional justice and also highlights the emerging debates in this area which are often overseen and underdeveloped in the literature The volume provides a wide coverage of the arguments relating to controversial issues emanating from different regions of the world The book is divided into four parts which groups different aspects of the problems and issues facing transitional justice as a field and its processes and mechanisms more specifically Part I concentrates on the traditional means and methods of dealing with past gross abuses of power and political violence In this section the authors also expand and often challenge the ways that these processes and mechanisms are conceptualised and introduced Part II provides a forum for the contributors to share their first hand experiences of how traditional and customary mechanisms of achieving justice can be effectively utilised Part III includes a collection of essays which challenges existing transitional justice models and provides new lenses to examine the formal and traditional processes and mechanisms It aims to expose insufficiencies and some of the inherent practical and jurisprudential problems facing the field Finally Part IV looks to the future by examining what remedies can be available today for abuses of rights of the future generations and those who have no standing to claim their rights such as the environment

No Mercy, No Justice Brooks Harrington, 2019-01-02 How can we be just and merciful Are justice and mercy in conflict Or are they aspects of the same truth Christians in America are presented with two conflicting versions of justice

and mercy One version comes from the dominant secular narrative of America Justice and mercy are contradictions Mercy is devalued and discouraged But within the counter narrative of God revealed through Torah the prophets and particularly through the life and parables of Jesus justice and mercy are aspects of the same truth and way of God There is no justice without mercy There is no mercy without justice In this book Rev Brooks Harrington draws on more than 40 years experience as a criminal prosecutor a pastor of an inner city church in an impoverished neighborhood and the founder of a legal ministry protecting indigent victims of family violence and child neglect and abuse Through moving stories of women and children he has encountered he shows the terrible toll of the dominant narrative s version of justice and mercy And he offers Christians hope with new and startling insights into God s justice and mercy revealed in the parables of Jesus
