Childrens Ministry No Higher Calling:

Rock-Solid Kids Larry Fowler, 2005-01-03 Children's ministry is being pushed and pulled by education models, statistical analysis, growth techniques, cultural change, and technological advancements. But with the weight of all these influences, little attention is given to what ought to be the most important influence in molding the shape of children's ministry: the Word of God. Whether your children's ministry is in your home or in your church, the purpose of this book is to enable you to build a children's ministry that is rock solid, modeled on scriptural teachings. Each chapter of this book starts with a Scripture passage, a rock for your foundation. The Scripture passage specifically refers to children or ministering to them. Each chapter contains a thorough discussion of implications and applications. [Youth Ministry That Transforms](#) Merton P. Strommen, Karen Jones, Dave Rahn, 2011-05-03 A first of its kind study of Protestant youth ministers reveals the hopes, frustrations, and effectiveness of today's youth workers. Of the 7,000 youth workers assembled in 1996 under Atlanta's Georgia Dome, a sample of 2,130 full-time youth ministers from dozens of Protestant denominations and parachurch organizations answered a battery of exhaustive, deliberate questions covering: What they liked best about youth ministry; What particularly pleased them in their work with youth; What they found most encouraging or discouraging; Their biggest obstacle to an effective youth ministry; Their biggest concern in youth ministry. Their answers revealed a dedicated group of professionals concerned about the students in their ministries but troubled with a variety of perplexing issues. And their answers form the backbone of [Youth Ministry That Transforms](#), a comprehensive analysis of this groundbreaking study funded by the Lilly Endowment, focusing on the hopes, frustrations, and effectiveness of today's youth workers. Spearheaded by Merton Strommen, one of America's most exemplary and influential thinkers and authors in youth and family ministry, the research/writing team is joined by Karen E. Jones and Dave Rahn of Huntington Indiana College's Link Institute for Faithful and Effective Youth Ministry, and acknowledged leader in the task of undergirding youth ministry with a research base. These three deliver thorough analysis and sound interpretation regarding the state of youth ministry at the dawn of the 21st century. [Youth Ministry That Transforms](#) belongs on the desks and in the classrooms of all who are concerned with this developing profession, including denominational and parachurch leadership, professors, youth ministry students, and thoughtful youth workers themselves. It is also an insightful resource for any who want to understand youth ministers and their profession: senior pastors, executive pastors, and other individuals and committees charged with hiring and supervising youth workers.
