

A vintage propeller-driven airplane, likely a biplane or a similar early aircraft, is shown in flight over a city. The plane is viewed from a low angle, looking up at it as it flies. The city below is densely packed with buildings, and the overall scene has a historical, sepia-toned appearance. The text "CHINA CLIPPER" is overlaid on the bottom half of the image in a white, serif font.

China Clipper:

China Clipper Robert Gandt,2010-10-01 When the China Clipper shattered aviation records on its maiden six day flight from California to the Orient in 1935 the flying boat became an instant celebrity This lively history by Robert Gandt traces the development of the great flying boats as both a triumph of technology and a stirring human drama He examines the political military and economic forces that drove its development and explains the aeronautical advances that made the aircraft possible To fully document the story he includes interviews with flying boat pioneers and a dynamic collection of photographs charts and cutaway illustrations

China Clipper Ronald W. Jackson,1980 **The China Clipper, Pan American Airways and Popular Culture** Larry Weirather,2006-11-13 The Pan American clipper ships of the 1930s and 1940s were technological marvels of their time The years before World War II found the United States faced with international challenges of an economic as well as a military nature Aided by government regulations and contracts the Pan Am Clippers were for a time the only international craft to carry the U S flag Commercially they rivaled the comfort and popularity of passenger trains and luxurious cruise ships Militarily they were unmatched by anything the Germans Russians Italians or French could produce The only long range aircraft capable of carrying transoceanic payloads Clippers became instantly valuable with the onset of the war Marketed as the ultimate in commercial or military airfare these flying boats became as much an American icon as the Pan Am logo itself From the movie screen to the bookshelf this volume examines the multitude of ways in which the values inherent in Pan American Airways clipper ships played out in popular culture The book discusses the strategies Pan Am used to represent the clipper as a paragon of U S interests values and beliefs Mirroring the moods of the times the clipper became a consistent American icon being associated with the Statue of Liberty and the American eagle The main focus of the work is the variety of ways in which this iconographic status manifested itself through toys movies pulp fiction comic books and music Clipper influence is also examined in other unlikely places such as the name of an available car color car models restaurant menus and lounge names An appendix explains different models of the clipper flying boats

China Clipper - Floatplanes Of Pan Am Larry W Jones,2021-08-16 This publication China Clipper Floatplanes Of Pan Am is the only book to document all the 4 engine Clippers operated by Pan American and BOAC British Overseas Airways Corp It entertains the reader with photos illustrations history and published personal experiences surrounding the giant Sikorsky S 42 Boeing B 314 and Martin M 130 flying boats that opened the airways to long distance passenger travel

China Clipper Ronald Jackson,2017-03-07 The true story of Pan American s flying boats and their role in the war in the Pacific based on over 6 900 previously undisclosed government and corporate documents China Clipper is a gripping and revealing story that sheds new light on the events leading up to World War II China Clipper is filled with fact but reads like a spy novel China Clipper breaks new ground and garnered stellar reviews new theory on the mystery of the Hawaii Clipper New York Times compelling even romantic San Francisco Chronicle this is exciting reading San Diego Union

good tale for spy aviation and WWII buffs Nashville Banner In the 1930s the political stability of the U S was collapsing The U S was dangerously vulnerable Through a popular policy of isolationism and international treaty the U S had only the most rudimentary and feeble defenses for an inevitable war with Japan Japan on the other hand was ruthlessly storming through Manchuria Korea and China slaughtering millions The U S was stymied but Pan American Airways proposed commercial seaplane bases at Pearl Harbor Midway Wake Guam and Manila all attacked on December 7 and 8 1941 offered the perfect ruse to begin fortifying the Pacific in 1934 You ll discover how the government worked covertly with Pan American to build Pacific island defenses how Pan American became a monopoly and powerhouse airline While China Clipper can be read as an exciting war story based on true events its major power lies in the unique recreation of people and events heretofore previously unknown Tautly written filled with vivid characterizations China Clipper is a compelling and a frightening examination of the forces that eventually caused Pearl Harbor to explode and the world go to war China Clipper also follows the day by day flight of American citizen and Chinese patriot Wah Sun Choy in July 1938 on the Hawaii Clipper bound for China A successful New Jersey businessman Wah Sun Choy had raised over 3 million to help bolster China s war with Japan But his purpose to deliver the money to the Chinese Nationalists clashed with the avowed aims of Japan Between Guam and Manila the elegant flying boat completely disappeared Why the 26 ton flying boat vanished and how is explored in depth for the first time in China Clipper
