**China Miracle** Arthur Wallis,1986      **Our Hands are Stained with Blood** Michael L. Brown, PhD,2019-09-17 Every Christian must read this shocking account of the Church's history The pages of church history are marked by countless horrors committed against the Jewish people From the first persecutions of the Jews in the fourth century to the horrors of the Holocaust from Israel bashing in today's press to anti-Semitism spouted from the      *World Christianity and Marxism* Denis R. Janz,1998-04-09 Denis Janz argues that the encounter with Marxism has been the defining event for twentieth century Christianity No other worldview shook Christianity more dramatically and no other movement had as profound an impact on so many Now the Cold War is over and as we approach the end of the century we need Janz says to ask ourselves what happened This book is the first unified and comprehensive attempt to analyze this historic meeting between these two antagonistic worlds of thought and action The intellectual foundation of this antagonism is to be found in Karl Marx himself and thus the book begins with an account of Marx's assault on Christianity All the diverse philosophical and political manifestations of Marxism were ultimately rooted in Marx's thought and supporters based their greater or lesser hostilities toward Christianity on their reading of his critique Janz follows this with an overview of Christian responses to Marx extending from the mid 19th century to the onset of the Cold War He argues that within this time frame Christianity's negation of Marx was not absolute the loud no to Marx bore with it an important if muted yes With this intellectual groundwork in place Janz turns to an examination of the encounter as it unfolded in specific national contexts the United States the Soviet Union Poland Nicaragua Cuba China and Albania The experiences of these countries varied widely from Poland where Christianity maintained its strongest independence to Nicaragua where a Christian alliance with Marxism contributed to revolutionary change to Albania where a Stalinist government attempted to abolish religion entirely From this survey emerges the evidence that world Christianity has clearly internalized some of the prominent features of its antagonist suggesting that the Marxist project is not as utterly defunct as many have assumed      *Movin' on Up* Rebecca Osaigbovo,1997 A spiritual book that challenges women to reach into the depths of God's ways and become comfortable in matter of the Spirit      [Paperbound Books in Print](#) ,1992      *Russia and China in Prophecy* Stephen Flurry,Ron Fraser,Andrew Locher,Philadelphia Church of God,2013-10-17 America's status as the world's lone superpower is rapidly fading Other nations and groups of nations are angling to fill the void Rising in the East is an emerging power bloc of tremendous potential in manpower economic heft and military might Its growing presence is intensifying global competition for resources and for geopolitical influence Where will this trend lead You can know Biblical prophecy provides a remarkable penetrating preview of Asia's future In this booklet *The Emerging Asian Superpower Russia Frightens Europe and Fulfills Bible Prophecy What the China Miracle Means Japan's Place in the Future Asia in Prophecy* This ebook is offered completely free of charge by the Philadelphia Church of God However please note that Google Play will need a verified Google Wallet
