China Saga:

China Saga C. Y. Lee, 1987-01-01 Traces four generations of a Chinese family from the Boxer Rebellion of the 1890s to the Cultural Revolution of the 1960s offering a portrait of China's history, people, and culture

China Saga C. Y. Lee, 1987
The Lu Family Saga KIM S. LUKE, 2018-11-17 The Lu Family Saga is an autobiography of a young girl whose great grandfather Lu Haodong plotted alongside Dr. Sun Yat-sen to overturn the feeble Qing Dynasty, the last of the Chinese Dynasties. During the Chinese Revolution, Lu Haodong made the supreme sacrifice for the love of his country at the age of 27. Haodong died a hero, and his comrade Sun Yat-sen became the Father of Modern China. Generations later, the girl was born into a world still in turmoil, living through WWII, the Japanese invasion, and the civil war in China. Under the Communist leader Mao Zedong, she and her family struggled, suffered, and survived the Social Revolution, the Land Reform Act, and the Great Leap Forward movements. In the Summer of 1959, she broke free from her hopeless life in Southern China in a desperate escape. Over a decade, every member of her family risked life to escape from China, the very motherland for which her great grandfather had fought so dearly

A Concubine For The Family Amy S. Kwei, 2009-06-16 Imagine a wife giving her husband a younger woman as a birthday present. A Concubine for the Family is a fictionalized account based on a true life event: my Chinese grandmother's selfless gift to my grandfather to ensure a male heir for the family. It is also a story of feminine solidarity and heroism. Full of vivid descriptions, the book tells of dramatic events in an opium den, the traditions of raising silkworms as pets, acupuncture medicines and techniques used in healing, foot binding, and behavior protocols between husbands and wives, masters and servants, children and parents, as well as the plight of a family fleeing war. It is also the heart-rending saga of a book-fragrant family and their harrowing experiences from 1937 until the fall of Hong Kong in 1941. Reviewing the book, the best-selling author Lisa See was moved to write: "You did a terrific job. I really enjoyed the story." And the Kirkus Review wrote: "Purple Jade has broader concerns. There is the unsettling influence of American and European West Coast Devils, internal strife between the Nationalists and Communists, and an impending Japanese invasion; the author details Chinese traditions and the fascinating but evanescent world as only someone steeped in the old ways could. An adept stylist and storyteller, the author weaves with simplicity this tale of upper-class China in upheaval. An engaging family saga by a talented storyteller. Using Tang poetry, colloquialisms, terms of endearment, and other vernacular, the books give the reader an immediate and deep understanding of Chinese culture and how it differs from our own. This compelling, heartfelt story of feminine and family solidarity is lovingly drawn. It will find emotional and intellectual resonance with most families in Diaspora."
