

Webinar on China's Global Development Initiative (GDI) and Africa's Developmental Future

The Africa-China Reporting Project, in collaboration with the China-Global South Project will hold an online event featuring experts on Africa-China development cooperation to explore the broader implications of the GDI for Africa and the Global South.

The event will cover some of the following issues:

- How does the BRI relate to the GDI?
- How would China like to shape international development finance?
- What are the implications of Chinese norm-setting on development?
- How will China's rising power reshape the development landscape?
- How should Africa prepare for these changes?
